treasury or in the process of collection to the credit of a 303
specific line-item appropriation account in a certain fund free 304
from previous and then outstanding obligations or 305
certifications, then for such purpose and from such line-item 306
appropriation account in such fund, over a period not extending 307
beyond the end of the fiscal year, expenditures may be made, 308
orders for payment issued, and contracts or obligations calling 309

the subdivision that this sum of money has been lawfully 328
appropriated, authorized, or directed for a permitted purpose 329
and is in the treasury or in the process of collection to the 330
credit of the specific line-item appropriation account in the 331
specified fund free from previous and then-outstanding 332
obligations or certifications; provided that the aggregate sum 333
of money included in and called for by the expenditures, orders, 334
and obligations shall not exceed the certified sum. The purposes 335
for which a subdivision may lawfully appropriate, authorize, or 336
issue such a certificate are the services of an accountant, 337
architect, attorney at law, physician, professional engineer, 338
construction project manager, consultant, surveyor, or appraiser 339
by or on behalf of the subdivision or contracting authority; 340
fuel oil, gasoline, food items, roadway materials, and 341
utilities; and any purchases exempt from competitive bidding 342
under section 125.04 of the Revised Code and any other specific 343
expenditure that is a recurring and reasonably predictable 344

operating expense. Such a certification shall not extend beyond 345
the end of the fiscal year or, in the case of a board of county 346
commissioners that has established a quarterly spending plan 347
under section 5705.392 of the Revised Code, beyond the quarter 348
to which the plan applies. Such a certificate shall be signed by 349
the fiscal officer and may, but need not, be limited to a 350
specific vendor. An itemized statement of obligations incurred 351
and expenditures made under such a certificate shall be rendered 352
to the fiscal officer for each certificate issued. More than one 353
such certificate may be outstanding at any time. 354

unit basis, the head of the department, board, or commission for 356
the benefit of which the contract is made shall make an estimate 357
of the total amount to become due upon such contract, which 358
estimate shall be certified in writing to the fiscal officer of 359
the subdivision. Such a contract may be entered into if the 360
appropriation covers such estimate, or so much thereof as may be 361
due during the current year. In such a case the certificate of 362
the fiscal officer based upon the estimate shall be a sufficient 363
compliance with the law requiring a certificate. 364

Any certificate of the fiscal officer attached to a 365
contract shall be binding upon the political subdivision as to 366
the facts set forth therein. Upon request of any person 367
receiving an order or entering into a contract with any 368
political subdivision, the certificate of the fiscal officer 369
shall be attached to such order or contract. "Contract" as used 370
in this section excludes current payrolls of regular employees 371
and officers. 372

(E) Taxes and other revenue in process of collection, or 373
the proceeds to be derived from authorized bonds, notes, or 374

certificates of indebtedness sold and in process of delivery, 375
shall for the purpose of this section be deemed in the treasury 376
or in process of collection and in the appropriate fund. This 377
section applies neither to the investment of sinking funds by 378
the trustees of such funds, nor to investments made under 379
sections 731.56 to 731.59 of the Revised Code. 380

No district authority shall, in transacting its own 381
affairs, do any of the things prohibited to a subdivision by 382
this section, but the appropriation referred to shall become the 383
appropriation by the district authority, and the fiscal officer 384
referred to shall mean the fiscal officer of the district 385
authority. 386

Section 2. That existing sections 4113.52 and 5705.41 of 387
the Revised Code are hereby repealed. 388
