(1) If the violation of division (A) of this section is a 2163
felony of the first, second, or third degree, the court shall 2164
impose upon the offender the mandatory fine specified for the 2165
offense under division (B)(1) of section 2929.18 of the Revised 2166
Code unless, as specified in that division, the court determines 2167
that the offender is indigent. Except as otherwise provided in 2168
division (H)(1) of this section, a mandatory fine or any other 2169
fine imposed for a violation of this section is subject to 2170
division (F) of this section. If a person is charged with a 2171
violation of this section that is a felony of the first, second, 2172
or third degree, posts bail, and forfeits the bail, the clerk of 2173
the court shall pay the forfeited bail pursuant to divisions (D) 2174
(1) and (F) of this section, as if the forfeited bail was a fine 2175
imposed for a violation of this section. If any amount of the 2176
forfeited bail remains after that payment and if a fine is 2177
imposed under division (H)(1) of this section, the clerk of the 2178
court shall pay the remaining amount of the forfeited bail 2179
pursuant to divisions (H)(2) and (3) of this section, as if that 2180
remaining amount was a fine imposed under division (H)(1) of 2181
this section. 2182

(2) If the offender is a professionally licensed person, 2183
the court immediately shall comply with section 2925.38 of the 2184
Revised Code. 2185

(E) When a person is charged with the sale of or offer to
sell a bulk amount or a multiple of a bulk amount of a
controlled substance, the jury, or the court trying the accused,
shall determine the amount of the controlled substance involved
at the time of the offense and, if a guilty verdict is returned,
shall return the findings as part of the verdict. In any such
case, it is unnecessary to find and return the exact amount of
the controlled substance involved, and it is sufficient if the
finding and return is to the effect that the amount of the
controlled substance involved is the requisite amount, or that
the amount of the controlled substance involved is less than the
requisite amount.

(F) (1) Notwithstanding any contrary provision of section
3719.21 of the Revised Code and except as provided in division
(H) of this section, the clerk of the court shall pay any
mandatory fine imposed pursuant to division (D) (1) of this
section and any fine other than a mandatory fine that is imposed
for a violation of this section pursuant to division (A) or (B)
(5) of section 2929.18 of the Revised Code to the county,
township, municipal corporation, park district, as created
pursuant to section 511.18 or 1545.04 of the Revised Code, or
state law enforcement agencies in this state that primarily were
responsible for or involved in making the arrest of, and in
prosecuting, the offender. However, the clerk shall not pay a
mandatory fine so imposed to a law enforcement agency unless the
agency has adopted a written internal control policy under
division (F) (2) of this section that addresses the use of the
fine moneys that it receives. Each agency shall use the
mandatory fines so paid to subsidize the agency's law
enforcement efforts that pertain to drug offenses, in accordance
with the written internal control policy adopted by the

recipient agency under division (F) (2) of this section. 2217

(2) Prior to receiving any fine moneys under division (F) 2218
(1) of this section or division (B) of section 2925.42 of the 2219
Revised Code, a law enforcement agency shall adopt a written 2220
internal control policy that addresses the agency's use and 2221
disposition of all fine moneys so received and that provides for 2222
the keeping of detailed financial records of the receipts of 2223
those fine moneys, the general types of expenditures made out of 2224
those fine moneys, and the specific amount of each general type 2225
of expenditure. The policy shall not provide for or permit the 2226
identification of any specific expenditure that is made in an 2227
ongoing investigation. All financial records of the receipts of 2228
those fine moneys, the general types of expenditures made out of 2229
those fine moneys, and the specific amount of each general type 2230
of expenditure by an agency are public records open for 2231
inspection under section 149.43 of the Revised Code. 2232
Additionally, a written internal control policy adopted under 2233
this division is such a public record, and the agency that 2234
adopted it shall comply with it. 2235

(3) As used in division (F) of this section: 2236

(G) (1) If the sentencing court suspends the offender's 2242
driver's or commercial driver's license or permit under division 2243
(D) of this section or any other provision of this chapter, the 2244
court shall suspend the license, by order, for not more than 2245

five years. If an offender's driver's or commercial driver's 2246
license or permit is suspended pursuant to this division, the 2247
offender, at any time after the expiration of two years from the 2248
day on which the offender's sentence was imposed or from the day 2249
on which the offender finally was released from a prison term 2250
under the sentence, whichever is later, may file a motion with 2251
the sentencing court requesting termination of the suspension; 2252
upon the filing of such a motion and the court's finding of good 2253
cause for the termination, the court may terminate the 2254
suspension. 2255

(2) Any offender who received a mandatory suspension of 2256
the offender's driver's or commercial driver's license or permit 2257
under this section prior to September 13, 2016, may file a 2258
motion with the sentencing court requesting the termination of 2259
the suspension. However, an offender who pleaded guilty to or 2260
was convicted of a violation of section 4511.19 of the Revised 2261
Code or a substantially similar municipal ordinance or law of 2262
another state or the United States that arose out of the same 2263
set of circumstances as the violation for which the offender's 2264
license or permit was suspended under this section shall not 2265
file such a motion. 2266

Upon the filing of a motion under division (G) (2) of this 2267
section, the sentencing court, in its discretion, may terminate 2268
the suspension. 2269

required by division (C) of this section and sections 2929.13 2271
and 2929.14 of the Revised Code, in addition to any other 2272
penalty or sanction imposed for the offense under this section 2273
or sections 2929.11 to 2929.18 of the Revised Code, and in 2274
addition to the forfeiture of property in connection with the 2275

offense as prescribed in Chapter 2981. of the Revised Code, the 2276
court that sentences an offender who is convicted of or pleads 2277
guilty to a violation of division (A) of this section may impose 2278
upon the offender an additional fine specified for the offense 2279
in division (B) (4) of section 2929.18 of the Revised Code. A 2280
fine imposed under division (H) (1) of this section is not 2281
subject to division (F) of this section and shall be used solely 2282
for the support of one or more eligible community addiction 2283
services providers in accordance with divisions (H) (2) and (3) 2284
of this section. 2285

(2) The court that imposes a fine under division (H) (1) of 2286
this section shall specify in the judgment that imposes the fine 2287

the support of which the fine money is to be used. No community 2289
addiction services provider shall receive or use money paid or 2290
collected in satisfaction of a fine imposed under division (H) 2291
(1) of this section unless the services provider is specified in 2292
the judgment that imposes the fine. No community addiction 2293
services provider shall be specified in the judgment unless the 2294
services provider is an eligible community addiction services 2295
provider and, except as otherwise provided in division (H) (2) of 2296
this section, unless the services provider is located in the 2297
county in which the court that imposes the fine is located or in 2298
a county that is immediately contiguous to the county in which 2299
that court is located. If no eligible community addiction 2300
services provider is located in any of those counties, the 2301
judgment may specify an eligible community addiction services 2302
provider that is located anywhere within this state. 2303

(3) Notwithstanding any contrary provision of section 2304
3719.21 of the Revised Code, the clerk of the court shall pay 2305
any fine imposed under division (H) (1) of this section to the 2306

eligible community addiction services provider specified 2307
pursuant to division (H) (2) of this section in the judgment. The 2308
eligible community addiction services provider that receives the 2309
fine moneys shall use the moneys only for the alcohol and drug 2310
addiction services identified in the application for 2311
certification of services under section 5119.36 of the Revised 2312
Code or in the application for a license under section 5119.37 2313
of the Revised Code filed with the department of mental health 2314
and addiction services by the community addiction services 2315
provider specified in the judgment. 2316

(4) Each community addiction services provider that 2317
receives in a calendar year any fine moneys under division (H) 2318
(3) of this section shall file an annual report covering that 2319
calendar year with the court of common pleas and the board of 2320
county commissioners of the county in which the services 2321
provider is located, with the court of common pleas and the 2322
board of county commissioners of each county from which the 2323
services provider received the moneys if that county is 2324
different from the county in which the services provider is 2325
located, and with the attorney general. The community addiction 2326
services provider shall file the report no later than the first 2327
day of March in the calendar year following the calendar year in 2328
which the services provider received the fine moneys. The report 2329
shall include statistics on the number of persons served by the 2330
community addiction services provider, identify the types of 2331
alcohol and drug addiction services provided to those persons, 2332
and include a specific accounting of the purposes for which the 2333
fine moneys received were used. No information contained in the 2334
report shall identify, or enable a person to determine the 2335
identity of, any person served by the community addiction 2336
services provider. Each report received by a court of common 2337

pleas, a board of county commissioners, or the attorney general 2338

the sole source for verifying that a person holds a current, 5349
valid certificate or license issued by the board. 5350

Sec. 4731.22. (A) The state medical board, by an 5351
affirmative vote of not fewer than six of its members, may 5352
limit, revoke, or suspend a license or certificate to practice 5353

certificate, refuse to renew a license or certificate, refuse to 5355
reinstate a license or certificate, or reprimand or place on 5356
probation the holder of a license or certificate if the 5357
individual applying for or holding the license or certificate is 5358
found by the board to have committed fraud during the 5359
administration of the examination for a license or certificate 5360

to practice to be used by a person, group, or corporation when 5374
the individual concerned is not actually directing the treatment 5375

307.659 of the Revised Code to a domestic violence fatality 5400
review board; does not include providing any information, 5401
documents, or reports to the director of health pursuant to 5402

not include the making of a report of an employee's use of a 5406
drug of abuse, or a report of a condition of an employee other 5407
than one involving the use of a drug of abuse, to the employer 5408
of the employee as described in division (B) of section 2305.33 5409
of the Revised Code. Nothing in this division affects the 5410
immunity from civil liability conferred by section 2305.33 or 5411
4731.62 of the Revised Code upon a physician who makes a report 5412
in accordance with section 2305.33 or notifies a mental health 5413

5469
5470
5471

(18) Subject to section 4731.226 of the Revised Code, 5472

violation of any provision of a code of ethics of the American 5473
medical association, the American osteopathic association, the 5474
American podiatric medical association, or any other national 5475
professional organizations that the board specifies by rule. The 5476
state medical board shall obtain and keep on file current copies 5477
of the codes of ethics of the various national professional 5478
organizations. The individual whose license or certificate is 5479
being suspended or revoked shall not be found to have violated 5480
any provision of a code of ethics of an organization not 5481
appropriate to the individual's profession. 5482

For purposes of this division, a "provision of a code of 5483
ethics of a national professional organization" does not include 5484
any provision that would preclude the making of a report by a 5485
physician of an employee's use of a drug of abuse, or of a 5486
condition of an employee other than one involving the use of a 5487
drug of abuse, to the employer of the employee as described in 5488
division (B) of section 2305.33 of the Revised Code. Nothing in 5489
this division affects the immunity from civil liability 5490
conferred by that section upon a physician who makes either type 5491
of report in accordance with division (B) of that section. As 5492
used in this division, "employee," "employer," and "physician" 5493
have the same meanings as in section 2305.33 of the Revised 5494
Code. 5495

(19) Inability to practice according to acceptable and 5496
prevailing standards of care by reason of mental illness or 5497
physical illness, including, but not limited to, physical 5498
deterioration that adversely affects cognitive, motor, or 5499
perceptive skills. 5500

In enforcing this division, the board, upon a showing of a 5501
possible violation, shall refer any individual who is authorized 5502

to practice by this chapter or who has submitted an application 5503
pursuant to this chapter to the monitoring organization that 5504
conducts the confidential monitoring program established under 5505
section 4731.25 of the Revised Code. The board also may compel 5506
the individual to submit to a mental examination, physical 5507
examination, including an HIV test, or both a mental and a 5508
physical examination. The expense of the examination is the 5509
responsibility of the individual compelled to be examined. 5510
Failure to submit to a mental or physical examination or consent 5511
to an HIV test ordered by the board constitutes an admission of 5512
the allegations against the individual unless the failure is due 5513
to circumstances beyond the individual's control, and a default 5514
and final order may be entered without the taking of testimony 5515
or presentation of evidence. If the board finds an individual 5516
unable to practice because of the reasons set forth in this 5517
division, the board shall require the individual to submit to 5518
care, counseling, or treatment by physicians approved or 5519
designated by the board, as a condition for initial, continued, 5520
reinstated, or renewed authority to practice. An individual 5521
affected under this division shall be afforded an opportunity to 5522
demonstrate to the board the ability to resume practice in 5523
compliance with acceptable and prevailing standards under the 5524
provisions of the individual's license or certificate. For the 5525
purpose of this division, any individual who applies for or 5526
receives a license or certificate to practice under this chapter 5527
accepts the privilege of practicing in this state and, by so 5528
doing, shall be deemed to have given consent to submit to a 5529
mental or physical examination when directed to do so in writing 5530
by the board, and to have waived all objections to the 5531
admissibility of testimony or examination reports that 5532
constitute a privileged communication. 5533

(20) Except as provided in division (F)(1)(b) of section 5534
4731.282 of the Revised Code or when civil penalties are imposed 5535
under section 4731.225 of the Revised Code, and subject to 5536
section 4731.226 of the Revised Code, violating or attempting to 5537
violate, directly or indirectly, or assisting in or abetting the 5538
violation of, or conspiring to violate, any provisions of this 5539
chapter or any rule promulgated by the board. 5540

This division does not apply to a violation or attempted 5541
violation of, assisting in or abetting the violation of, or a 5542
conspiracy to violate, any provision of this chapter or any rule 5543
adopted by the board that would preclude the making of a report 5544
by a physician of an employee's use of a drug of abuse, or of a 5545
condition of an employee other than one involving the use of a 5546
drug of abuse, to the employer of the employee as described in 5547
division (B) of section 2305.33 of the Revised Code. Nothing in 5548
this division affects the immunity from civil liability 5549
conferred by that section upon a physician who makes either type 5550
of report in accordance with division (B) of that section. As 5551
used in this division, "employee," "employer," and "physician" 5552
have the same meanings as in section 2305.33 of the Revised 5553
Code. 5554

(21) The violation of section 3701.79 of the Revised Code 5555
or of any abortion rule adopted by the director of health 5556
pursuant to section 3701.341 of the Revised Code; 5557

(22) Any of the following actions taken by an agency 5558
responsible for authorizing, certifying, or regulating an 5559
individual to practice a health care occupation or provide 5560
health care services in this state or another jurisdiction, for 5561
any reason other than the nonpayment of fees: the limitation, 5562
revocation, or suspension of an individual's license to 5563

practice; acceptance of an individual's license surrender; 5564
denial of a license; refusal to renew or reinstate a license; 5565
imposition of probation; or issuance of an order of censure or 5566
other reprimand; 5567

(23) The violation of section 2919.12 of the Revised Code 5568
or the performance or inducement of an abortion upon a pregnant 5569
woman with actual knowledge that the conditions specified in 5570
division (B) of section 2317.56 of the Revised Code have not 5571
been satisfied or with a heedless indifference as to whether 5572
those conditions have been satisfied, unless an affirmative 5573
defense as specified in division (H) (2) of that section would 5574
apply in a civil action authorized by division (H) (1) of that 5575
section; 5576

(24) The revocation, suspension, restriction, reduction, 5577
or termination of clinical privileges by the United States 5578
department of defense or department of veterans affairs or the 5579
termination or suspension of a certificate of registration to 5580
prescribe drugs by the drug enforcement administration of the 5581
United States department of justice; 5582

(25) Termination or suspension from participation in the 5583
medicare or medicaid programs by the department of health and 5584
human services or other responsible agency; 5585

(26) Impairment of ability to practice according to 5586
acceptable and prevailing standards of care because of substance 5587
use disorder or excessive use or abuse of drugs, alcohol, or 5588
other substances that may impair ability to practice. 5589

For the purposes of this division, any individual 5590
authorized to practice by this chapter accepts the privilege of 5591
practicing in this state subject to supervision by the board. By 5592

filing an application for or holding a license or certificate to 5593
practice under this chapter, an individual shall be deemed to 5594
have given consent to submit to a mental or physical examination 5595
when ordered to do so by the board in writing, and to have 5596
waived all objections to the admissibility of testimony or 5597
examination reports that constitute privileged communications. 5598

If it has reason to believe that any individual authorized 5599
to practice by this chapter or any applicant for licensure or 5600
certification to practice suffers such impairment, the board 5601
shall refer the individual to the monitoring organization that 5602
conducts the confidential monitoring program established under 5603
section 4731.25 of the Revised Code. The board also may compel 5604
the individual to submit to a mental or physical examination, or 5605
both. The expense of the examination is the responsibility of 5606
the individual compelled to be examined. Any mental or physical 5607
examination required under this division shall be undertaken by 5608
a treatment provider or physician who is qualified to conduct 5609
the examination and who is approved under section 4731.251 of 5610
the Revised Code. 5611

Failure to submit to a mental or physical examination 5612
ordered by the board constitutes an admission of the allegations 5613
against the individual unless the failure is due to 5614
circumstances beyond the individual's control, and a default and 5615
final order may be entered without the taking of testimony or 5616
presentation of evidence. If the board determines that the 5617
individual's ability to practice is impaired, the board shall 5618
suspend the individual's license or certificate or deny the 5619
individual's application and shall require the individual, as a 5620
condition for initial, continued, reinstated, or renewed 5621
licensure or certification to practice, to submit to treatment. 5622

Before being eligible to apply for reinstatement of a 5623
license or certificate suspended under this division, the 5624
impaired practitioner shall demonstrate to the board the ability 5625
to resume practice in compliance with acceptable and prevailing 5626
standards of care under the provisions of the practitioner's 5627
license or certificate. The demonstration shall include, but 5628
shall not be limited to, the following: 5629

(a) Certification from a treatment provider approved under 5630
section 4731.251 of the Revised Code that the individual has 5631
successfully completed any required inpatient treatment; 5632

(b) Evidence of continuing full compliance with an 5633
aftercare contract or consent agreement; 5634

(c) Two written reports indicating that the individual's 5635
ability to practice has been assessed and that the individual 5636
has been found capable of practicing according to acceptable and 5637
prevailing standards of care. The reports shall be made by 5638
individuals or providers approved by the board for making the 5639
assessments and shall describe the basis for their 5640
determination. 5641

The board may reinstate a license or certificate suspended 5642
under this division after that demonstration and after the 5643
individual has entered into a written consent agreement. 5644

When the impaired practitioner resumes practice, the board 5645
shall require continued monitoring of the individual. The 5646
monitoring shall include, but not be limited to, compliance with 5647
the written consent agreement entered into before reinstatement 5648
or with conditions imposed by board order after a hearing, and, 5649
upon termination of the consent agreement, submission to the 5650
board for at least two years of annual written progress reports 5651

made under penalty of perjury stating whether the individual has 5652
maintained sobriety. 5653

(27) A second or subsequent violation of section 4731.66 5654
or 4731.69 of the Revised Code; 5655

(28) Except as provided in division (N) of this section: 5656

(a) Waiving the payment of all or any part of a deductible 5657
or copayment that a patient, pursuant to a health insurance or 5658
health care policy, contract, or plan that covers the 5659
individual's services, otherwise would be required to pay if the 5660
waiver is used as an enticement to a patient or group of 5661
patients to receive health care services from that individual; 5662

(b) Advertising that the individual will waive the payment 5663
of all or any part of a deductible or copayment that a patient, 5664

be required to pay. 5667

nonemergency professional services, or failure to maintain that 5674
notice in the patient's medical record; 5675

category III terminal distributor of dangerous drugs with a pain management clinic classification unless the facility is licensed with the classification;	5738 5739 5740
(46) Failure to comply with any of the requirements regarding making or maintaining medical records or documents described in division (A) of section 2919.192, division (C) of section 2919.193, division (B) of section 2919.195, or division (A) of section 2919.196 of the Revised Code;	5741 5742 5743 5744 5745
(47) Failure to comply with the requirements in section 3719.061 of the Revised Code before issuing for a minor a prescription for an opioid analgesic, as defined in section 3719.01 of the Revised Code;	5746 5747 5748 5749
(48) Failure to comply with the requirements of section 4731.30 of the Revised Code or rules adopted under section 4731.301 of the Revised Code when recommending treatment with medical marijuana;	5750 5751 5752 5753
(49) A pattern of continuous or repeated violations of division (E) (2) or (3) of section 3963.02 of the Revised Code;	5754 5755
(50) Failure to fulfill the responsibilities of a collaboration agreement entered into with an athletic trainer as described in section 4755.621 of the Revised Code;	5756 5757 5758
(51) Failure to take the steps specified in section 4731.911 of the Revised Code following an abortion or attempted abortion in an ambulatory surgical facility or other location that is not a hospital when a child is born alive;	5759 5760 5761 5762
<u>(52) Failure of a physician supervising a certified mental health assistant to maintain supervision in accordance with the requirements of Chapter 4772. of the Revised Code and the rules adopted under that chapter.</u>	5763 5764 5765 5766

(C) Disciplinary actions taken by the board under 5767
divisions (A) and (B) of this section shall be taken pursuant to 5768
an adjudication under Chapter 119. of the Revised Code, except 5769
that in lieu of an adjudication, the board may enter into a 5770
consent agreement with an individual to resolve an allegation of 5771
a violation of this chapter or any rule adopted under it. A 5772
consent agreement, when ratified by an affirmative vote of not 5773
fewer than six members of the board, shall constitute the 5774
findings and order of the board with respect to the matter 5775
addressed in the agreement. If the board refuses to ratify a 5776
consent agreement, the admissions and findings contained in the 5777
consent agreement shall be of no force or effect. 5778

A telephone conference call may be utilized for 5779
ratification of a consent agreement that revokes or suspends an 5780
individual's license or certificate to practice or certificate 5781
to recommend. The telephone conference call shall be considered 5782
a special meeting under division (F) of section 121.22 of the 5783
Revised Code. 5784

If the board takes disciplinary action against an 5785
individual under division (B) of this section for a second or 5786
subsequent plea of guilty to, or judicial finding of guilt of, a 5787
violation of section 2919.123 or 2919.124 of the Revised Code, 5788
the disciplinary action shall consist of a suspension of the 5789
individual's license or certificate to practice for a period of 5790
at least one year or, if determined appropriate by the board, a 5791
more serious sanction involving the individual's license or 5792
certificate to practice. Any consent agreement entered into 5793
under this division with an individual that pertains to a second 5794
or subsequent plea of guilty to, or judicial finding of guilt 5795
of, a violation of that section shall provide for a suspension 5796
of the individual's license or certificate to practice for a 5797

period of at least one year or, if determined appropriate by the 5798
board, a more serious sanction involving the individual's 5799
license or certificate to practice. 5800

(D) For purposes of divisions (B) (10), (12), and (14) of 5801
this section, the commission of the act may be established by a 5802
finding by the board, pursuant to an adjudication under Chapter 5803
119. of the Revised Code, that the individual committed the act. 5804
The board does not have jurisdiction under those divisions if 5805
the trial court renders a final judgment in the individual's 5806
favor and that judgment is based upon an adjudication on the 5807
merits. The board has jurisdiction under those divisions if the 5808
trial court issues an order of dismissal upon technical or 5809
procedural grounds. 5810

(E) The sealing or expungement of conviction records by 5811
any court shall have no effect upon a prior board order entered 5812
under this section or upon the board's jurisdiction to take 5813
action under this section if, based upon a plea of guilty, a 5814
judicial finding of guilt, or a judicial finding of eligibility 5815
for intervention in lieu of conviction, the board issued a 5816
notice of opportunity for a hearing prior to the court's order 5817
to seal or expunge the records. The board shall not be required 5818
to seal, expunge, destroy, redact, or otherwise modify its 5819
records to reflect the court's sealing of conviction records. 5820

(F) (1) The board shall investigate evidence that appears 5821
to show that a person has violated any provision of this chapter 5822
or any rule adopted under it. Any person may report to the board 5823
in a signed writing any information that the person may have 5824
that appears to show a violation of any provision of this 5825
chapter or any rule adopted under it. In the absence of bad 5826
faith, any person who reports information of that nature or who 5827

testifies before the board in any adjudication conducted under 5828
Chapter 119. of the Revised Code shall not be liable in damages 5829
in a civil action as a result of the report or testimony. Each 5830
complaint or allegation of a violation received by the board 5831
shall be assigned a case number and shall be recorded by the 5832
board. 5833

(2) Investigations of alleged violations of this chapter 5834
or any rule adopted under it shall be supervised by the 5835
supervising member elected by the board in accordance with 5836
section 4731.02 of the Revised Code and by the secretary as 5837
provided in section 4731.39 of the Revised Code. The president 5838
may designate another member of the board to supervise the 5839
investigation in place of the supervising member. No member of 5840
the board who supervises the investigation of a case shall 5841
participate in further adjudication of the case. 5842

(3) In investigating a possible violation of this chapter 5843
or any rule adopted under this chapter, or in conducting an 5844
inspection under division (E) of section 4731.054 of the Revised 5845
Code, the board may question witnesses, conduct interviews, 5846
administer oaths, order the taking of depositions, inspect and 5847
copy any books, accounts, papers, records, or documents, issue 5848
subpoenas, and compel the attendance of witnesses and production 5849
of books, accounts, papers, records, documents, and testimony, 5850
except that a subpoena for patient record information shall not 5851
be issued without consultation with the attorney general's 5852
office and approval of the secretary of the board. 5853

(a) Before issuance of a subpoena for patient record 5854
information, the secretary shall determine whether there is 5855
probable cause to believe that the complaint filed alleges a 5856
violation of this chapter or any rule adopted under it and that 5857

the records sought are relevant to the alleged violation and 5858
material to the investigation. The subpoena may apply only to 5859
records that cover a reasonable period of time surrounding the 5860
alleged violation. 5861

(b) On failure to comply with any subpoena issued by the 5862
board and after reasonable notice to the person being 5863
subpoenaed, the board may move for an order compelling the 5864
production of persons or records pursuant to the Rules of Civil 5865
Procedure. 5866

(c) A subpoena issued by the board may be served by a 5867
sheriff, the sheriff's deputy, or a board employee or agent 5868
designated by the board. Service of a subpoena issued by the 5869
board may be made by delivering a copy of the subpoena to the 5870
person named therein, reading it to the person, or leaving it at 5871
the person's usual place of residence, usual place of business, 5872
or address on file with the board. When serving a subpoena to an 5873
applicant for or the holder of a license or certificate issued 5874
under this chapter, service of the subpoena may be made by 5875
certified mail, return receipt requested, and the subpoena shall 5876
be deemed served on the date delivery is made or the date the 5877
person refuses to accept delivery. If the person being served 5878
refuses to accept the subpoena or is not located, service may be 5879
made to an attorney who notifies the board that the attorney is 5880
representing the person. 5881

(d) A sheriff's deputy who serves a subpoena shall receive 5882
the same fees as a sheriff. Each witness who appears before the 5883
board in obedience to a subpoena shall receive the fees and 5884
mileage provided for under section 119.094 of the Revised Code. 5885

(4) All hearings, investigations, and inspections of the 5886
board shall be considered civil actions for the purposes of 5887

section 2305.252 of the Revised Code. 5888

(5) A report required to be submitted to the board under 5889
this chapter, a complaint, or information received by the board 5890
pursuant to an investigation or pursuant to an inspection under 5891
division (E) of section 4731.054 of the Revised Code is 5892
confidential and not subject to discovery in any civil action. 5893

The board shall conduct all investigations or inspections 5894
and proceedings in a manner that protects the confidentiality of 5895
patients and persons who file complaints with the board. The 5896
board shall not make public the names or any other identifying 5897
information about patients or complainants unless proper consent 5898
is given or, in the case of a patient, a waiver of the patient 5899
privilege exists under division (B) of section 2317.02 of the 5900
Revised Code, except that consent or a waiver of that nature is 5901
not required if the board possesses reliable and substantial 5902
evidence that no bona fide physician-patient relationship 5903
exists. 5904

The board may share any information it receives pursuant 5905
to an investigation or inspection, including patient records and 5906
patient record information, with law enforcement agencies, other 5907
licensing boards, and other governmental agencies that are 5908
prosecuting, adjudicating, or investigating alleged violations 5909
of statutes or administrative rules. An agency or board that 5910
receives the information shall comply with the same requirements 5911
regarding confidentiality as those with which the state medical 5912
board must comply, notwithstanding any conflicting provision of 5913
the Revised Code or procedure of the agency or board that 5914
applies when it is dealing with other information in its 5915
possession. In a judicial proceeding, the information may be 5916
admitted into evidence only in accordance with the Rules of 5917

Evidence, but the court shall require that appropriate measures 5918
are taken to ensure that confidentiality is maintained with 5919
respect to any part of the information that contains names or 5920
other identifying information about patients or complainants 5921
whose confidentiality was protected by the state medical board 5922
when the information was in the board's possession. Measures to 5923
ensure confidentiality that may be taken by the court include 5924
sealing its records or deleting specific information from its 5925
records. 5926

(6) On a quarterly basis, the board shall prepare a report 5927
that documents the disposition of all cases during the preceding 5928
three months. The report shall contain the following information 5929
for each case with which the board has completed its activities: 5930

(a) The case number assigned to the complaint or alleged 5931
violation; 5932

(b) The type of license or certificate to practice, if 5933
any, held by the individual against whom the complaint is 5934
directed; 5935

(c) A description of the allegations contained in the 5936
complaint; 5937

(d) The disposition of the case. 5938

The report shall state how many cases are still pending 5939
and shall be prepared in a manner that protects the identity of 5940
each person involved in each case. The report shall be a public 5941
record under section 149.43 of the Revised Code. 5942

(G) If the secretary and supervising member determine both 5943
of the following, they may recommend that the board suspend an 5944
individual's license or certificate to practice or certificate 5945
to recommend without a prior hearing: 5946

(1) That there is clear and convincing evidence that an individual has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall serve a written order of suspension in accordance with sections 119.05 and 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B) (9), (11), 5976
or (13) of this section and the judicial finding of guilt, 5977
guilty plea, or judicial finding of eligibility for intervention 5978
in lieu of conviction is overturned on appeal, upon exhaustion 5979
of the criminal appeal, a petition for reconsideration of the 5980
order may be filed with the board along with appropriate court 5981
documents. Upon receipt of a petition of that nature and 5982
supporting court documents, the board shall reinstate the 5983
individual's license or certificate to practice. The board may 5984
then hold an adjudication under Chapter 119. of the Revised Code 5985
to determine whether the individual committed the act in 5986
question. Notice of an opportunity for a hearing shall be given 5987
in accordance with Chapter 119. of the Revised Code. If the 5988
board finds, pursuant to an adjudication held under this 5989
division, that the individual committed the act or if no hearing 5990
is requested, the board may order any of the sanctions 5991
identified under division (B) of this section. 5992

(I) The license or certificate to practice issued to an 5993
individual under this chapter and the individual's practice in 5994
this state are automatically suspended as of the date of the 5995
individual's second or subsequent plea of guilty to, or judicial 5996
finding of guilt of, a violation of section 2919.123 or 2919.124 5997
of the Revised Code. In addition, the license or certificate to 5998
practice or certificate to recommend issued to an individual 5999
under this chapter and the individual's practice in this state 6000
are automatically suspended as of the date the individual pleads 6001
guilty to, is found by a judge or jury to be guilty of, or is 6002
subject to a judicial finding of eligibility for intervention in 6003
lieu of conviction in this state or treatment or intervention in 6004
lieu of conviction in another jurisdiction for any of the 6005
following criminal offenses in this state or a substantially 6006

equivalent criminal offense in another jurisdiction: aggravated 6007
murder, murder, voluntary manslaughter, felonious assault, 6008
kidnapping, rape, sexual battery, gross sexual imposition, 6009
aggravated arson, aggravated robbery, or aggravated burglary. 6010
Continued practice after suspension shall be considered 6011
practicing without a license or certificate. 6012

The board shall notify the individual subject to the 6013
suspension in accordance with sections 119.05 and 119.07 of the 6014
Revised Code. If an individual whose license or certificate is 6015
automatically suspended under this division fails to make a 6016
timely request for an adjudication under Chapter 119. of the 6017
Revised Code, the board shall do whichever of the following is 6018
applicable: 6019

(1) If the automatic suspension under this division is for 6020
a second or subsequent plea of guilty to, or judicial finding of 6021
guilt of, a violation of section 2919.123 or 2919.124 of the 6022
Revised Code, the board shall enter an order suspending the 6023
individual's license or certificate to practice for a period of 6024
at least one year or, if determined appropriate by the board, 6025
imposing a more serious sanction involving the individual's 6026
license or certificate to practice. 6027

(2) In all circumstances in which division (I)(1) of this 6028
section does not apply, enter a final order permanently revoking 6029
the individual's license or certificate to practice. 6030

(J) If the board is required by Chapter 119. of the 6031
Revised Code to give notice of an opportunity for a hearing and 6032
if the individual subject to the notice does not timely request 6033
a hearing in accordance with section 119.07 of the Revised Code, 6034
the board is not required to hold a hearing, but may adopt, by 6035
an affirmative vote of not fewer than six of its members, a 6036

final order that contains the board's findings. In that final 6037
order, the board may order any of the sanctions identified under 6038
division (A) or (B) of this section. 6039

(K) Any action taken by the board under division (B) of 6040
this section resulting in a suspension from practice shall be 6041
accompanied by a written statement of the conditions under which 6042
the individual's license or certificate to practice may be 6043
reinstated. The board shall adopt rules governing conditions to 6044
be imposed for reinstatement. Reinstatement of a license or 6045
certificate suspended pursuant to division (B) of this section 6046
requires an affirmative vote of not fewer than six members of 6047
the board. 6048

(L) When the board refuses to grant or issue a license or 6049
certificate to practice to an applicant, revokes an individual's 6050
license or certificate to practice, refuses to renew an 6051
individual's license or certificate to practice, or refuses to 6052
reinstatement an individual's license or certificate to practice, 6053
the board may specify that its action is permanent. An 6054
individual subject to a permanent action taken by the board is 6055
forever thereafter ineligible to hold a license or certificate 6056
to practice and the board shall not accept an application for 6057
reinstatement of the license or certificate or for issuance of a 6058
new license or certificate. 6059

(M) Notwithstanding any other provision of the Revised 6060
Code, all of the following apply: 6061

(1) The surrender of a license or certificate issued under 6062
this chapter shall not be effective unless or until accepted by 6063
the board. A telephone conference call may be utilized for 6064
acceptance of the surrender of an individual's license or 6065
certificate to practice. The telephone conference call shall be 6066

considered a special meeting under division (F) of section 6067
121.22 of the Revised Code. Reinstatement of a license or 6068
certificate surrendered to the board requires an affirmative 6069
vote of not fewer than six members of the board. 6070

(2) An application for a license or certificate made under 6071
the provisions of this chapter may not be withdrawn without 6072
approval of the board. 6073

(3) Failure by an individual to renew a license or 6074
certificate to practice in accordance with this chapter or a 6075
certificate to recommend in accordance with rules adopted under 6076
section 4731.301 of the Revised Code does not remove or limit 6077
the board's jurisdiction to take any disciplinary action under 6078
this section against the individual. 6079

(4) The placement of an individual's license on retired 6080
status, as described in section 4731.283 of the Revised Code, 6081
does not remove or limit the board's jurisdiction to take any 6082
disciplinary action against the individual with regard to the 6083
license as it existed before being placed on retired status. 6084

(5) At the request of the board, a license or certificate 6085
holder shall immediately surrender to the board a license or 6086
certificate that the board has suspended, revoked, or 6087
permanently revoked. 6088

(N) Sanctions shall not be imposed under division (B) (28) 6089
of this section against any person who waives deductibles and 6090
copayments as follows: 6091

(1) In compliance with the health benefit plan that 6092
expressly allows such a practice. Waiver of the deductibles or 6093
copayments shall be made only with the full knowledge and 6094
consent of the plan purchaser, payer, and third-party 6095

administrator. Documentation of the consent shall be made 6096
available to the board upon request. 6097

(2) For professional services rendered to any other person 6098
authorized to practice pursuant to this chapter, to the extent 6099
allowed by this chapter and rules adopted by the board. 6100

(O) Under the board's investigative duties described in 6101
this section and subject to division (F) of this section, the 6102
board shall develop and implement a quality intervention program 6103
designed to improve through remedial education the clinical and 6104
communication skills of individuals authorized under this 6105
chapter to practice medicine and surgery, osteopathic medicine 6106
and surgery, and podiatric medicine and surgery. In developing 6107
and implementing the quality intervention program, the board may 6108
do all of the following: 6109

(1) Offer in appropriate cases as determined by the board 6110
an educational and assessment program pursuant to an 6111
investigation the board conducts under this section; 6112

(2) Select providers of educational and assessment 6113
services, including a quality intervention program panel of case 6114
reviewers; 6115

(3) Make referrals to educational and assessment service 6116
providers and approve individual educational programs 6117
recommended by those providers. The board shall monitor the 6118
progress of each individual undertaking a recommended individual 6119
educational program. 6120

(4) Determine what constitutes successful completion of an 6121
individual educational program and require further monitoring of 6122
the individual who completed the program or other action that 6123
the board determines to be appropriate; 6124

(5) Adopt rules in accordance with Chapter 119. of the 6125
Revised Code to further implement the quality intervention 6126
program. 6127

An individual who participates in an individual 6128
educational program pursuant to this division shall pay the 6129
financial obligations arising from that educational program. 6130

(P) The board shall not refuse to issue a license to an 6131
applicant because of a conviction, plea of guilty, judicial 6132
finding of guilt, judicial finding of eligibility for 6133
intervention in lieu of conviction, or the commission of an act 6134
that constitutes a criminal offense, unless the refusal is in 6135
accordance with section 9.79 of the Revised Code. 6136

Sec. 4731.224. (A) Within sixty days after the imposition 6137
of any formal disciplinary action taken by any health care 6138
facility, including a hospital, health care facility operated by 6139
a health insuring corporation, ambulatory surgical center, or 6140
similar facility, against any individual holding a valid license 6141
or certificate to practice issued pursuant to this chapter, the 6142
chief administrator or executive officer of the facility shall 6143
report to the state medical board the name of the individual, 6144
the action taken by the facility, and a summary of the 6145
underlying facts leading to the action taken. Upon request, the 6146
board shall be provided certified copies of the patient records 6147
that were the basis for the facility's action. Prior to release 6148
to the board, the summary shall be approved by the peer review 6149
committee that reviewed the case or by the governing board of 6150
the facility. As used in this division, "formal disciplinary 6151
action" means any action resulting in the revocation, 6152
restriction, reduction, or termination of clinical privileges 6153
for violations of professional ethics, or for reasons of medical 6154

incompetence or medical malpractice. "Formal disciplinary 6155
action" includes a summary action, an action that takes effect 6156
notwithstanding any appeal rights that may exist, and an action 6157
that results in an individual surrendering clinical privileges 6158
while under investigation and during proceedings regarding the 6159
action being taken or in return for not being investigated or 6160
having proceedings held. "Formal disciplinary action" does not 6161
include any action taken for the sole reason of failure to 6162
maintain records on a timely basis or failure to attend staff or 6163
section meetings. 6164

The filing or nonfiling of a report with the board, 6165
investigation by the board, or any disciplinary action taken by 6166
the board, shall not preclude any action by a health care 6167
facility to suspend, restrict, or revoke the individual's 6168
clinical privileges. 6169

In the absence of fraud or bad faith, no individual or 6170
entity that provides patient records to the board shall be 6171
liable in damages to any person as a result of providing the 6172
records. 6173

(B) (1) Except as provided in division (B) (2) of this 6174
section, if any individual authorized to practice under this 6175
chapter or any professional association or society of such 6176
individuals believes that a violation of any provision of this 6177
chapter, Chapter 4730., 4759., 4760., 4761., 4762., 4772., 6178
4774., or 4778. of the Revised Code, or any rule of the board 6179
has occurred, the individual, association, or society shall 6180
report to the board the information upon which the belief is 6181
based. 6182

(2) If any individual authorized to practice under this 6183
chapter or any professional association or society of such 6184

individuals believes that a violation of division (B) (19) or 6185
(26) of section 4731.22 of the Revised Code has occurred, the 6186
individual, association, or society shall report the information 6187
upon which the belief is based to the monitoring organization 6188
conducting the confidential monitoring program established under 6189
section 4731.25 of the Revised Code. If any such report is made 6190
to the board, it shall be referred to the monitoring 6191
organization unless the board is aware that the individual who 6192
is the subject of the report does not meet the program 6193
eligibility requirements of section 4731.252 of the Revised 6194

telehealth services as long as a patient is not responsible for 6691
any portion of the fee. 6692

(3) A health care professional providing telehealth 6693
services shall obtain a patient's consent before billing for the 6694
cost of providing the services, but the requirement to do so 6695

to practice as a certified mental health assistant shall, on or 7003

license holders at least one month prior to the expiration date. 7006

Renewal applications shall be submitted to the board in a 7007

manner prescribed by the board. Each application shall be 7008
accompanied by a biennial renewal fee specified by the board in 7009
rules adopted under section 4772.19 of the Revised Code. 7010

The applicant shall report any criminal offense that 7011
constitutes grounds for refusing to issue a license under 7012
section 4772.20 of the Revised Code to which the applicant has 7013
pleaded guilty, of which the applicant has been found guilty, or 7014
for which the applicant has been found eligible for intervention 7015
in lieu of conviction, since last signing an application for a 7016
license to practice as a certified mental health assistant. 7017

(B) To be eligible for renewal, a certified mental health 7018
assistant shall certify to the board that the assistant has 7019
complied with the renewal eligibility requirements established 7020

board considers to be complete and qualifies for renewal 7024
pursuant to division (B) of this section, the board shall issue 7025
to the applicant a renewed license to practice as a certified 7026

expiration date is automatically suspended on its expiration 7037
date, subject to the provisions of section 119.06 of the Revised 7038
Code specifying that an applicant who appropriately files a 7039
renewal application is not required to discontinue practicing 7040
merely because the board has failed to act on the application. 7041

If a license has been suspended pursuant to this division 7042
for two years or less, the board shall reinstate the license 7043
upon an applicant's submission of a renewal application, the 7044
biennial renewal fee, and the applicable monetary penalty. The 7045
penalty for reinstatement is fifty dollars. 7046

If a license has been suspended pursuant to this division 7047
for more than two years, it may be restored. Subject to section 7048
4772.082 of the Revised Code, the board may restore the license 7049
upon an applicant's submission of a restoration application, the 7050
biennial renewal fee, the applicable monetary penalty, and 7051
compliance with sections 4776.01 to 4776.04 of the Revised Code. 7052
The board shall not restore a license unless the board, in its 7053
discretion, decides that the results of the criminal records 7054
check do not make the applicant ineligible for a certificate 7055
issued pursuant to section 4772.06 of the Revised Code. The 7056
penalty for restoration is one hundred dollars. 7057

(F)(1) If, through a random sample conducted under 7058
division (D) of this section or any other means, the board finds 7059
that an individual who certified completion of the continuing 7060
education required to renew, reinstate, or restore a license to 7061
practice did not complete the requisite continuing medical 7062
education, the board may do either of the following: 7063

section 4772.20 of the Revised Code, impose a civil penalty, or 7065
both; 7066

the continuing medical education and pay a civil penalty. 7068

(2) The board's finding in any disciplinary action taken 7069
under division (F)(1)(a) of this section shall be made pursuant 7070
to an adjudication under Chapter 119. of the Revised Code and by 7071
an affirmative vote of not fewer than six of its members. 7072

this section or paid under division (F)(1)(b) of this section 7074
shall be in an amount specified by the board of not more than 7075
five thousand dollars. The board shall deposit civil penalties 7076
in accordance with section 4731.24 of the Revised Code. 7077

by the physician supervising the certified mental health 7081

twelve hours of continuing education in pharmacology obtained 7084
through a program or course approved by the state medical board 7085
or a person the board has authorized to approve continuing 7086
pharmacology education programs and courses. Except as provided 7087
in section 5903.12 of the Revised Code, the continuing education 7088
shall be completed not later than the date on which the 7089
applicant's license expires. 7090

(2) (a) Except as provided in division (A)(2)(b) of this 7091
section, in the case of an applicant who prescribes opioid 7092
analgesics or benzodiazepines, as defined in section 3719.01 of 7093

indirectly, or assisting in or abetting the violation of, or 7671
conspiring to violate, any provision of this chapter, Chapter 7672
4731. of the Revised Code, or the rules adopted by the board; 7673

(4) A departure from, or failure to conform to, minimal 7674

or excessive use or abuse of drugs, alcohol, or other substances 7684
that impair ability to practice; 7685

(7) Willfully betraying a professional confidence; 7686

(8) Making a false, fraudulent, deceptive, or misleading 7687

As used in this division, "false, fraudulent, deceptive, 7690
or misleading statement" means a statement that includes a 7691
misrepresentation of fact, is likely to mislead or deceive 7692
because of a failure to disclose material facts, is intended or 7693
is likely to create false or unjustified expectations of 7694
favorable results, or includes representations or implications 7695

that in reasonable probability will cause an ordinarily prudent 7696
person to misunderstand or be deceived. 7697

(9) The obtaining of, or attempting to obtain, money or a 7698
thing of value by fraudulent misrepresentations in the course of 7699
practice; 7700

or a judicial finding of eligibility for intervention in lieu of 7702

this state, regardless of the jurisdiction in which the act was 7705
committed; 7706

or a judicial finding of eligibility for intervention in lieu of 7712
conviction for, a misdemeanor involving moral turpitude; 7713

(14) Commission of an act in the course of practice that 7714
constitutes a misdemeanor in this state, regardless of the 7715
jurisdiction in which the act was committed; 7716

constitutes a misdemeanor in this state, regardless of the 7718
jurisdiction in which the act was committed; 7719

(16) A plea of guilty to, a judicial finding of guilt of, 7720
or a judicial finding of eligibility for intervention in lieu of 7721
conviction for violating any state or federal law regulating the 7722

trafficking in drugs; 7724

(17) Any of the following actions taken by the state 7725
agency responsible for regulating the practice of certified 7726
mental health assistants in another jurisdiction, for any reason 7727
other than the nonpayment of fees: the limitation, revocation, 7728
or suspension of an individual's license to practice; acceptance 7729
of an individual's license surrender; denial of a license; 7730

reprimand; 7733

(19) Failure to use universal blood and body fluid 7736

(20) Failure to cooperate in an investigation conducted by 7739
the board under section 4772.21 of the Revised Code, including 7740
failure to comply with a subpoena or order issued by the board 7741
or failure to answer truthfully a question presented by the 7742
board at a deposition or in written interrogatories, except that 7743
failure to cooperate with an investigation shall not constitute 7744
grounds for discipline under this section if a court of 7745
competent jurisdiction has issued an order that either quashes a 7746
subpoena or permits the individual to withhold the testimony or 7747
evidence in issue; 7748

(21) Failure to practice in accordance with the 7749
supervising physician's supervision agreement with the certified 7750
mental health assistant; 7751

(22) Administering drugs for purposes other than those 7752

7758

(C) The board shall not refuse to issue a license to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code. 7759
7760
7761
7762
7763

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a certified mental health assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect. 7764
7765
7766
7767
7768
7769
7770
7771
7772
7773
7774
7775
7776

(E) For purposes of divisions (B) (11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no 7777
7778
7779
7780
7781

jurisdiction under these divisions in cases where the trial 7782
court renders a final judgment in the license holder's favor and 7783
that judgment is based upon an adjudication on the merits. The 7784
board shall have jurisdiction under these divisions in cases 7785
where the trial court issues an order of dismissal on technical 7786
or procedural grounds. 7787

(F) The sealing or expungement of conviction records by 7788
any court shall have no effect on a prior board order entered 7789
under the provisions of this section or on the board's 7790
jurisdiction to take action under the provisions of this section 7791
if, based upon a plea of guilty, a judicial finding of guilt, or 7792
a judicial finding of eligibility for intervention in lieu of 7793
conviction, the board issued a notice of opportunity for a 7794
hearing prior to the court's order to seal or expunge the 7795
records. The board shall not be required to seal, destroy, 7796
redact, or otherwise modify its records to reflect the court's 7797
sealing or expungement of conviction records. 7798

(G) For purposes of this division, any individual who 7799
holds a license to practice as a certified mental health 7800
assistant issued under this chapter, or applies for a license, 7801
shall be deemed to have given consent to submit to a mental or 7802
physical examination when directed to do so in writing by the 7803
board and to have waived all objections to the admissibility of 7804
testimony or examination reports that constitute a privileged 7805
communication. 7806

(1) In enforcing division (B) (5) of this section, the 7807
board, on a showing of a possible violation, may compel any 7808
individual who holds a license to practice as a certified mental 7809
health assistant issued under this chapter or who has applied 7810
for a license to submit to a mental or physical examination, or 7811

both. A physical examination may include an HIV test. The 7812
expense of the examination is the responsibility of the 7813
individual compelled to be examined. Failure to submit to a 7814
mental or physical examination or consent to an HIV test ordered 7815
by the board constitutes an admission of the allegations against 7816
the individual unless the failure is due to circumstances beyond 7817
the individual's control, and a default and final order may be 7818
entered without the taking of testimony or presentation of 7819
evidence. If the board finds a certified mental health assistant 7820
unable to practice because of the reasons set forth in division 7821
(B) (5) of this section, the board shall require the certified 7822
mental health assistant to submit to care, counseling, or 7823
treatment by physicians approved or designated by the board, as 7824
a condition for an initial, continued, reinstated, or renewed 7825
license. An individual affected by this division shall be 7826
afforded an opportunity to demonstrate to the board the ability 7827
to resume practicing in compliance with acceptable and 7828
prevailing standards of care. 7829

(2) For purposes of division (B) (6) of this section, if 7830
the board has reason to believe that any individual who holds a 7831
license to practice as a certified mental health assistant 7832
issued under this chapter or any applicant for a license suffers 7833
such impairment, the board may compel the individual to submit 7834
to a mental or physical examination, or both. The expense of the 7835
examination is the responsibility of the individual compelled to 7836
be examined. Any mental or physical examination required under 7837
this division shall be undertaken by a treatment provider or 7838
physician qualified to conduct such examination and chosen by 7839
the board. 7840

Failure to submit to a mental or physical examination 7841
ordered by the board constitutes an admission of the allegations 7842

against the individual unless the failure is due to 7843
circumstances beyond the individual's control, and a default and 7844
final order may be entered without the taking of testimony or 7845
presentation of evidence. If the board determines that the 7846
individual's ability to practice is impaired, the board shall 7847
suspend the individual's license or deny the individual's 7848
application and shall require the individual, as a condition for 7849
an initial, continued, reinstated, or renewed license to 7850
practice, to submit to treatment. 7851

Before being eligible to apply for reinstatement of a 7852
license suspended under this division, the certified mental 7853
health assistant shall demonstrate to the board the ability to 7854
resume practice in compliance with acceptable and prevailing 7855
standards of care. The demonstration shall include the 7856
following: 7857

(a) Certification from a treatment provider approved under 7858
section 4731.25 of the Revised Code that the individual has 7859
successfully completed any required inpatient treatment; 7860

(b) Evidence of continuing full compliance with an 7861
aftercare contract or consent agreement; 7862

(c) Two written reports indicating that the individual's 7863
ability to practice has been assessed and that the individual 7864
has been found capable of practicing according to acceptable and 7865
prevailing standards of care. The reports shall be made by 7866
individuals or providers approved by the board for making such 7867
assessments and shall describe the basis for their 7868
determination. 7869

The board may reinstate a license suspended under this 7870
division after such demonstration and after the individual has 7871

entered into a written consent agreement. 7872

When the impaired certified mental health assistant 7873
resumes practice, the board shall require continued monitoring 7874
of the certified mental health assistant. The monitoring shall 7875
include monitoring of compliance with the written consent 7876
agreement entered into before reinstatement or with conditions 7877
imposed by board order after a hearing, and, on termination of 7878
the consent agreement, submission to the board for at least two 7879
years of annual written progress reports made under penalty of 7880
falsification stating whether the certified mental health 7881
assistant has maintained sobriety. 7882

(H) If the secretary and supervising member determine that 7883
there is clear and convincing evidence that a certified mental 7884
health assistant has violated division (B) of this section and 7885
that the individual's continued practice presents a danger of 7886
immediate and serious harm to the public, they may recommend 7887
that the board suspend the individual's license to practice 7888
without a prior hearing. Written allegations shall be prepared 7889
for consideration by the board. 7890

The board, on review of the allegations and by an 7891
affirmative vote of not fewer than six of its members, excluding 7892
the secretary and supervising member, may suspend a license 7893
without a prior hearing. A telephone conference call may be 7894
utilized for reviewing the allegations and taking the vote on 7895
the summary suspension. 7896

The board shall issue a written order of suspension by 7897
certified mail or in person in accordance with section 119.07 of 7898
the Revised Code. The order shall not be subject to suspension 7899
by the court during pendency of any appeal filed under section 7900
119.12 of the Revised Code. If the certified mental health 7901

assistant requests an adjudicatory hearing by the board, the 7902
date set for the hearing shall be within fifteen days, but not 7903
earlier than seven days, after the certified mental health 7904
assistant requests the hearing, unless otherwise agreed to by 7905
both the board and the license holder. 7906

A summary suspension imposed under this division shall 7907
remain in effect, unless reversed on appeal, until a final 7908
adjudicative order issued by the board pursuant to this section 7909
and Chapter 119. of the Revised Code becomes effective. The 7910
board shall issue its final adjudicative order within sixty days 7911
after completion of its hearing. Failure to issue the order 7912
within sixty days shall result in dissolution of the summary 7913
suspension order, but shall not invalidate any subsequent, final 7914
adjudicative order. 7915

(I) If the board takes action under division (B) (10), 7916
(12), or (13) of this section, and the judicial finding of 7917
guilt, guilty plea, or judicial finding of eligibility for 7918
intervention in lieu of conviction is overturned on appeal, on 7919
exhaustion of the criminal appeal, a petition for 7920
reconsideration of the order may be filed with the board along 7921
with appropriate court documents. On receipt of a petition and 7922
supporting court documents, the board shall reinstate the 7923
license to practice as a certified mental health assistant. The 7924
board may then hold an adjudication under Chapter 119. of the 7925
Revised Code to determine whether the individual committed the 7926
act in question. Notice of opportunity for hearing shall be 7927
given in accordance with Chapter 119. of the Revised Code. If 7928
the board finds, pursuant to an adjudication held under this 7929
division, that the individual committed the act, or if no 7930
hearing is requested, it may order any of the sanctions 7931
specified in division (B) of this section. 7932

(J) The license to practice of a certified mental health assistant and the assistant's practice in this state are automatically suspended as of the date the certified mental health assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of 7963
this section resulting in a suspension shall be accompanied by a 7964
written statement of the conditions under which the certified 7965
mental health assistant's license may be reinstated. The board 7966
shall adopt rules in accordance with Chapter 119. of the Revised 7967
Code governing conditions to be imposed for reinstatement. 7968
Reinstatement of a license suspended pursuant to division (B) of 7969
this section requires an affirmative vote of not fewer than six 7970
members of the board. 7971

(M) When the board refuses to grant or issue a license to 7972
practice as a certified mental health assistant to an applicant, 7973
revokes an individual's license, refuses to renew an 7974
individual's license, or refuses to reinstate an individual's 7975
license, the board may specify that its action is permanent. An 7976
individual subject to a permanent action taken by the board is 7977
forever thereafter ineligible to hold a license to practice as a 7978
certified mental health assistant and the board shall not accept 7979
an application for reinstatement of the license or for issuance 7980
of a new license. 7981

(N) Notwithstanding any other provision of the Revised 7982
Code, all of the following apply: 7983

(1) The surrender of a license to practice as a certified 7984
mental health assistant issued under this chapter is not 7985
effective unless or until accepted by the board. Reinstatement 7986
of a license surrendered to the board requires an affirmative 7987
vote of not fewer than six members of the board. 7988

(2) An application made under this chapter for a license 7989
to practice may not be withdrawn without approval of the board. 7990

(3) Failure by an individual to renew a license to 7991

practice in accordance with section 4772.08 of the Revised Code 7992
shall not remove or limit the board's jurisdiction to take 7993
disciplinary action under this section against the individual. 7994

Sec. 4772.201. On receipt of a notice pursuant to section 7995
3123.43 of the Revised Code, the state medical board shall 7996
comply with sections 3123.41 to 3123.50 of the Revised Code and 7997
any applicable rules adopted under section 3123.63 of the 7998
Revised Code with respect to a license to practice as a 7999
certified mental health assistant issued under this chapter. 8000

Sec. 4772.202. If the state medical board has reason to 8001
believe that any person who has been granted a license to 8002
practice as a certified mental health assistant under this 8003
chapter is mentally ill or mentally incompetent, it may file in 8004
the probate court of the county in which the person has a legal 8005
residence an affidavit in the form prescribed in section 5122.11 8006
of the Revised Code and signed by the board secretary or a 8007
member of the board secretary's staff, whereupon the same 8008
proceedings shall be had as provided in Chapter 5122. of the 8009
Revised Code. The attorney general may represent the board in 8010
any proceeding commenced under this section. 8011

If any person who has been granted a license is adjudged 8012
by a probate court to be mentally ill or mentally incompetent, 8013
the person's license shall be automatically suspended until the 8014
person has filed with the state medical board a certified copy 8015
of an adjudication by a probate court of the person's subsequent 8016
restoration to competency or has submitted to the board proof, 8017
satisfactory to the board, that the person has been discharged 8018
as having a restoration to competency in the manner and form 8019
provided in section 5122.38 of the Revised Code. The judge of 8020
the probate court shall forthwith notify the state medical board 8021

of an adjudication of mental illness or mental incompetence, and 8022
shall note any suspension of a license in the margin of the 8023
court's record of such license. 8024

Sec. 4772.203. (A) (1) If a certified mental health 8025
assistant violates any section of this chapter or any rule 8026
adopted under this chapter, the state medical board may, 8027
pursuant to an adjudication under Chapter 119. of the Revised 8028
Code and an affirmative vote of not fewer than six of its 8029
members, impose a civil penalty. The amount of the civil penalty 8030
shall be determined by the board in accordance with the 8031
guidelines adopted under division (A) (2) of this section. The 8032
civil penalty may be in addition to any other action the board 8033
may take under section 4772.20 of the Revised Code. 8034

(2) The board shall adopt and may amend guidelines 8035
regarding the amounts of civil penalties to be imposed under 8036
this section. Adoption or amendment of the guidelines requires 8037
the approval of not fewer than six board members. 8038

Under the guidelines, no civil penalty amount shall exceed 8039
twenty thousand dollars. 8040

(B) Amounts received from payment of civil penalties 8041
imposed under this section shall be deposited by the board in 8042
accordance with section 4731.24 of the Revised Code. Amounts 8043
received from payment of civil penalties imposed for violations 8044
of division (B) (6) of section 4772.20 of the Revised Code shall 8045
be used by the board solely for investigations, enforcement, and 8046
compliance monitoring. 8047

Sec. 4772.21. (A) The state medical board shall 8048
investigate evidence that appears to show that any person has 8049
violated this chapter or the rules adopted under it. Any person 8050

may report to the board in a signed writing any information the 8051
person has that appears to show a violation of any provision of 8052
this chapter or the rules adopted under it. In the absence of 8053
bad faith, a person who reports such information or testifies 8054
before the board in an adjudication conducted under Chapter 119. 8055
of the Revised Code shall not be liable for civil damages as a 8056
result of reporting the information or providing testimony. Each 8057
complaint or allegation of a violation received by the board 8058
shall be assigned a case number and be recorded by the board. 8059

(B) Investigations of alleged violations of this chapter 8060
or rules adopted under it shall be supervised by the supervising 8061
member elected by the board in accordance with section 4731.02 8062
of the Revised Code and by the secretary as provided in section 8063
4772.24 of the Revised Code. The board's president may designate 8064
another member of the board to supervise the investigation in 8065
place of the supervising member. A member of the board who 8066
supervises the investigation of a case shall not participate in 8067
further adjudication of the case. 8068

(C) In investigating a possible violation of this chapter 8069
or the rules adopted under it, the board may administer oaths, 8070
order the taking of depositions, issue subpoenas, and compel the 8071
attendance of witnesses and production of books, accounts, 8072
papers, records, documents, and testimony, except that a 8073
subpoena for patient record information shall not be issued 8074
without consultation with the attorney general's office and 8075
approval of the secretary and supervising member of the board. 8076
Before issuance of a subpoena for patient record information, 8077
the secretary and supervising member shall determine whether 8078
there is probable cause to believe that the complaint filed 8079
alleges a violation of this chapter or the rules adopted under 8080
it and that the records sought are relevant to the alleged 8081

violation and material to the investigation. The subpoena may 8082
apply only to records that cover a reasonable period of time 8083
surrounding the alleged violation. 8084

On failure to comply with any subpoena issued by the board 8085
and after reasonable notice to the person being subpoenaed, the 8086
board may move for an order compelling the production of persons 8087
or records pursuant to the Rules of Civil Procedure. 8088

A subpoena issued by the board may be served by a sheriff, 8089
the sheriff's deputy, or a board employee designated by the 8090
board. Service of a subpoena issued by the board may be made by 8091
delivering a copy of the subpoena to the person named therein, 8092
reading it to the person, or leaving it at the person's usual 8093
place of residence. When the person being served is a certified 8094
mental health assistant, service of the subpoena may be made by 8095
certified mail, restricted delivery, return receipt requested, 8096
and the subpoena shall be deemed served on the date delivery is 8097
made or the date the person refuses to accept delivery. 8098

A sheriff's deputy who serves a subpoena shall receive the 8099
same fees as a sheriff. Each witness who appears before the 8100
board in obedience to a subpoena shall receive the fees and 8101
mileage provided for witnesses in civil cases in the courts of 8102
common pleas. 8103

(D) All hearings and investigations of the board shall be 8104
considered civil actions for the purposes of section 2305.252 of 8105
the Revised Code. 8106

(E) Information received by the board pursuant to an 8107
investigation is confidential and not subject to discovery in 8108
any civil action. 8109

The board shall conduct all investigations and proceedings 8110

in a manner that protects the confidentiality of patients and 8111
persons who file complaints with the board. The board shall not 8112
make public the names or any other identifying information about 8113
patients or complainants unless proper consent is given. 8114

The board may share any information it receives pursuant 8115
to an investigation, including patient records and patient 8116
record information, with law enforcement agencies, other 8117
licensing boards, and other governmental agencies that are 8118
prosecuting, adjudicating, or investigating alleged violations 8119
of statutes or administrative rules. An agency or board that 8120
receives the information shall comply with the same requirements 8121
regarding confidentiality as those with which the state medical 8122
board must comply, notwithstanding any conflicting provision of 8123
the Revised Code or procedure of the agency or board that 8124
applies when it is dealing with other information in its 8125
possession. In a judicial proceeding, the information may be 8126
admitted into evidence only in accordance with the Rules of 8127
Evidence, but the court shall require that appropriate measures 8128
are taken to ensure that confidentiality is maintained with 8129
respect to any part of the information that contains names or 8130
other identifying information about patients or complainants 8131
whose confidentiality was protected by the state medical board 8132
when the information was in the board's possession. Measures to 8133
ensure confidentiality that may be taken by the court include 8134
sealing its records or deleting specific information from its 8135
records. 8136

(F) On a quarterly basis, the board shall prepare a report 8137
that documents the disposition of all cases during the preceding 8138
three months. The report shall contain the following information 8139
for each case with which the board has completed its activities: 8140

<u>(1) The case number assigned to the complaint or alleged violation;</u>	8141
	8142
<u>(2) The type of license, if any, held by the individual against whom the complaint is directed;</u>	8143
	8144

	8146
<u>(4) The disposition of the case.</u>	8147
<u>The report shall state how many cases are still pending, and shall be prepared in a manner that protects the identity of each person involved in each case. The report is a public record for purposes of section 149.43 of the Revised Code.</u>	8148
	8149
	8150
	8151
<u>Sec. 4772.22. (A) As used in this section, "prosecutor" has the same meaning as in section 2935.01 of the Revised Code.</u>	8152
	8153
<u>(B) Whenever any person holding a valid license to practice as a certified mental health assistant issued under this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the license under section 4772.20 of the Revised Code.</u>	8154
	8155
	8156
	8157
	8158
	8159
	8160
	8161
	8162
	8163
	8164
	8165
	8166
	8167
<u>(C) The prosecutor in any case against any person holding a valid license issued under this chapter, on forms prescribed</u>	8168
	8169

and provided by the state medical board, shall notify the board 8170
of any of the following: 8171

(1) A plea of guilty to, a finding of guilt by a jury or 8172
court of, or judicial finding of eligibility for intervention in 8173
lieu of conviction for a felony, or a case in which the trial 8174
court issues an order of dismissal upon technical or procedural 8175
grounds of a felony charge; 8176

(2) A plea of guilty to, a finding of guilt by a jury or 8177
court of, or judicial finding of eligibility for intervention in 8178
lieu of conviction for a misdemeanor committed in the course of 8179
practice, or a case in which the trial court issues an order of 8180
dismissal upon technical or procedural grounds of a charge of a 8181
misdemeanor, if the alleged act was committed in the course of 8182
practice; 8183

(3) A plea of guilty to, a finding of guilt by a jury or 8184
court of, or judicial finding of eligibility for intervention in 8185
lieu of conviction for a misdemeanor involving moral turpitude, 8186
or a case in which the trial court issues an order of dismissal 8187
upon technical or procedural grounds of a charge of a 8188
misdemeanor involving moral turpitude. 8189

The report shall include the name and address of the 8190
license holder, the nature of the offense for which the action 8191
was taken, and the certified court documents recording the 8192
action. 8193

Sec. 4772.23. (A) Within sixty days after the imposition 8194
of any formal disciplinary action taken by any health care 8195
facility, including a hospital, health care facility operated by 8196
a health insuring corporation, ambulatory surgical facility, or 8197
similar facility, against any individual holding a valid license 8198

to practice as a certified mental health assistant, the chief 8199
administrator or executive officer of the facility shall report 8200
to the state medical board the name of the individual, the 8201
action taken by the facility, and a summary of the underlying 8202
facts leading to the action taken. On request, the board shall 8203
be provided certified copies of the patient records that were 8204
the basis for the facility's action. Prior to release to the 8205
board, the summary shall be approved by the peer review 8206
committee that reviewed the case or by the governing board of 8207
the facility. 8208

The filing of a report with the board or decision not to 8209
file a report, investigation by the board, or any disciplinary 8210
action taken by the board, does not preclude a health care 8211
facility from taking disciplinary action against a certified 8212
mental health assistant. 8213

In the absence of fraud or bad faith, no individual or 8214
entity that provides patient records to the board shall be 8215
liable in damages to any person as a result of providing the 8216
records. 8217

(B) (1) Except as provided in division (B) (2) of this 8218
section, a certified mental health assistant, professional 8219
association or society of certified mental health assistants, 8220
physician, or professional association or society of physicians 8221
that believes a violation of any provision of this chapter, 8222
Chapter 4731. of the Revised Code, or rule of the board has 8223
occurred shall report to the board the information on which the 8224
belief is based. 8225

(2) A certified mental health assistant, professional 8226
association or society of certified mental health assistants, 8227
physician, or professional association or society of physicians 8228

that believes a violation of division (B) (6) of section 4772.20 8229
of the Revised Code has occurred shall report the information 8230
upon which the belief is based to the monitoring organization 8231
conducting the program established by the board under section 8232
4731.251 of the Revised Code. If any such report is made to the 8233
board, it shall be referred to the monitoring organization 8234
unless the board is aware that the individual who is the subject 8235
of the report does not meet the program eligibility requirements 8236
of section 4731.252 of the Revised Code. 8237

(C) Any professional association or society composed 8238
primarily of certified mental health assistants that suspends or 8239
revokes an individual's membership for violations of 8240
professional ethics, or for reasons of professional incompetence 8241
or professional malpractice, within sixty days after a final 8242
decision, shall report to the board, on forms prescribed and 8243
provided by the board, the name of the individual, the action 8244
taken by the professional organization, and a summary of the 8245
underlying facts leading to the action taken. 8246

The filing of a report with the board or decision not to 8247
file a report, investigation by the board, or any disciplinary 8248
action taken by the board, does not preclude a professional 8249
organization from taking disciplinary action against a certified 8250
mental health assistant. 8251

(D) Any insurer providing professional liability insurance 8252
to any person holding a valid license to practice as a certified 8253
mental health assistant or any other entity that seeks to 8254
indemnify the professional liability of a certified mental 8255
health assistant shall notify the board within thirty days after 8256
the final disposition of any written claim for damages where 8257
such disposition results in a payment exceeding twenty-five 8258

thousand dollars. The notice shall contain the following 8259
information: 8260

(1) The name and address of the person submitting the 8261
notification; 8262

(2) The name and address of the insured who is the subject 8263
of the claim; 8264

(3) The name of the person filing the written claim; 8265

(4) The date of final disposition; 8266

(5) If applicable, the identity of the court in which the 8267
final disposition of the claim took place. 8268

(E) The board may investigate possible violations of this 8269
chapter or the rules adopted under it that are brought to its 8270
attention as a result of the reporting requirements of this 8271
section, except that the board shall conduct an investigation if 8272
a possible violation involves repeated malpractice. As used in 8273
this division, "repeated malpractice" means three or more claims 8274
for malpractice within the previous five-year period, each 8275
resulting in a judgment or settlement in excess of twenty-five 8276
thousand dollars in favor of the claimant, and each involving 8277
negligent conduct by the certified mental health assistant. 8278

(F) All summaries, reports, and records received and 8279
maintained by the board pursuant to this section shall be held 8280
in confidence and shall not be subject to discovery or 8281
introduction in evidence in any federal or state civil action 8282
involving a certified mental health assistant, supervising 8283
physician, or health care facility arising out of matters that 8284
are the subject of the reporting required by this section. The 8285
board may use the information obtained only as the basis for an 8286
investigation, as evidence in a disciplinary hearing against a 8287

certified mental health assistant or supervising physician, or 8288
in any subsequent trial or appeal of a board action or order. 8289

The board may disclose the summaries and reports it 8290
receives under this section only to health care facility 8291
committees within or outside this state that are involved in 8292
credentialing or recredentialing a certified mental health 8293
assistant or supervising physician, if applicable, or reviewing 8294
their privilege to practice within a particular facility. The 8295
board shall indicate whether or not the information has been 8296
verified. Information transmitted by the board shall be subject 8297
to the same confidentiality provisions as when maintained by the 8298
board. 8299

(G) Except for reports filed by an individual pursuant to 8300
division (B) of this section, the board shall send a copy of any 8301
reports or summaries it receives pursuant to this section to the 8302
certified mental health assistant. The certified mental health 8303
assistant shall have the right to file a statement with the 8304
board concerning the correctness or relevance of the 8305
information. The statement shall at all times accompany that 8306
part of the record in contention. 8307

(H) An individual or entity that reports to the board, 8308
reports to the monitoring organization described in section 8309
4731.251 of the Revised Code, or refers an impaired certified 8310
mental health assistant to a treatment provider approved by the 8311
board under section 4731.25 of the Revised Code shall not be 8312
subject to suit for civil damages as a result of the report, 8313
referral, or provision of the information. 8314

(I) In the absence of fraud or bad faith, a professional 8315
association or society of certified mental health assistants 8316
that sponsors a committee or program to provide peer assistance 8317

to a certified mental health assistant with substance abuse 8318
problems, a representative or agent of such a committee or 8319
program, a representative or agent of the monitoring 8320
organization described in section 4731.251 of the Revised Code, 8321
and a member of the state medical board shall not be held liable 8322
in damages to any person by reason of actions taken to refer a 8323
certified mental health assistant to a treatment provider 8324
approved under section 4731.25 of the Revised Code for 8325
examination or treatment. 8326

Sec. 4772.24. The secretary of the state medical board 8327
shall enforce the laws relating to the practice of certified 8328
mental health assistants. If the secretary has knowledge or 8329
notice of a violation of this chapter or the rules adopted under 8330
it, the secretary shall investigate the matter, and, upon 8331
probable cause appearing, file a complaint and prosecute the 8332
offender. When requested by the secretary, the prosecuting 8333
attorney of the proper county shall take charge of and conduct 8334
the prosecution. 8335

Sec. 4772.25. The attorney general, the prosecuting 8336
attorney of any county in which the offense was committed or the 8337
offender resides, the state medical board, or any other person 8338
having knowledge of a person engaged either directly or by 8339
complicity in practicing as a certified mental health assistant 8340
without having first obtained under this chapter a license to 8341
practice as a certified mental health assistant, may, in 8342
accordance with provisions of the Revised Code governing 8343
injunctions, maintain an action in the name of the state to 8344
enjoin any person from engaging either directly or by complicity 8345
in unlawfully practicing as a certified mental health assistant 8346
by applying for an injunction in any court of competent 8347
jurisdiction. 8348

Prior to application for an injunction, the secretary of 8349
the state medical board shall notify the person allegedly 8350
engaged either directly or by complicity in the unlawful 8351
practice by registered mail that the secretary has received 8352
information indicating that this person is so engaged. The 8353
person shall answer the secretary within thirty days showing 8354
that the person is either properly licensed for the stated 8355
activity or that the person is not in violation of this chapter. 8356
If the answer is not forthcoming within thirty days after notice 8357
by the secretary, the secretary shall request that the attorney 8358
general, the prosecuting attorney of the county in which the 8359
offense was committed or the offender resides, or the state 8360
medical board proceed as authorized in this section. 8361

Upon the filing of a verified petition in court, the court 8362
shall conduct a hearing on the petition and shall give the same 8363
preference to this proceeding as is given all proceedings under 8364
Chapter 119. of the Revised Code, irrespective of the position 8365
of the proceeding on the calendar of the court. 8366

Injunction proceedings shall be in addition to, and not in 8367
lieu of, all penalties and other remedies provided in this 8368
chapter. 8369

Sec. 4772.26. The state medical board, subject to the 8370
approval of the controlling board, may establish fees in excess 8371
of the amounts specified in this chapter, except that the fees 8372
may not exceed the specified amounts by more than fifty per 8373
cent. 8374

All fees, penalties, and other funds received by the board 8375
under this chapter shall be deposited in accordance with section 8376
4731.24 of the Revised Code. 8377

Sec. 4772.27. In the absence of fraud or bad faith, the 8378
state medical board, a current or former board member, an agent 8379
of the board, a person formally requested by the board to be the 8380
board's representative, or an employee of the board shall not be 8381
held liable in damages to any person as the result of any act, 8382
omission, proceeding, conduct, or decision related to official 8383
duties undertaken or performed pursuant to this chapter. If any 8384
such person asks to be defended by the state against any claim 8385
or action arising out of any act, omission, proceeding, conduct, 8386
or decision related to the person's official duties, and if the 8387
request is made in writing at a reasonable time before trial and 8388
the person requesting defense cooperates in good faith in the 8389
defense of the claim or action, the state shall provide and pay 8390
for the person's defense and shall pay any resulting judgment, 8391
compromise, or settlement. At no time shall the state pay any 8392
part of a claim or judgment that is for punitive or exemplary 8393
damages. 8394

Sec. 4772.28. The state medical board shall comply with 8395
section 4776.20 of the Revised Code. 8396

Sec. 4772.99. (A) Whoever violates section 4772.02 of the 8397
Revised Code is guilty of a misdemeanor of the first degree on a 8398
first offense; on each subsequent offense, the person is guilty 8399
of a felony of the fourth degree. 8400

(B) Whoever violates division (A), (B), (C), or (D) of 8401
section 4772.23 of the Revised Code is guilty of a minor 8402
misdemeanor on a first offense; on each subsequent offense the 8403
person is guilty of a misdemeanor of the fourth degree, except 8404
that an individual guilty of a subsequent offense shall not be 8405

privilege to engage in a profession, occupation, or occupational 8414
