

I think your Ordinance HB 587 is terrific!

My name is Denise Geltman. I have been taking NATURAL LEAF KRATOM for 10 years. I am 61 years old.

I suffer from chronic severe nerve pain and spasms all over my body, It is torture.

NATURAL LEAF KRATOM is my most important tool in my chronic pain toolbox. Because of NATURAL LEAF KRATOM I have been able to hold a part time job for 10 years and live my life instead of existing in pain.

Sincerely,

Denise Geltman
