

Chair Fowler Arthur, Vice Chair Odioso, Ranking Member Robinson, and members of the House Education Committee,

My name is Jack Mangan, a lifelong resident of Ohio. I am writing today to urge the committee to include the 3rd phase of the bipartisan Fair School Funding Plan in the state budget.

I am writing as an alumnus of Ohio's public schools, and I have seen firsthand the impact and influence the public-school experience can have on a child's life. Our education system is the foundation of the future of Ohio's children and needs to be treated as such. Refusing to support children's education robs them of their future, and I request that you uphold your oaths to your constituents.

I ask you to consider my testimony and choose to support the 90% of Ohio students who attend public schools. Please include the 3rd phase of the bipartisan Fair School Funding Plan in the state budget.
