

Chair Fowler Arthur, Vice Chair Odioso, Ranking Member Robinson, and members of the House Education Committee,

Thank you for allowing me to testify today. My name is Erica Riggall, I live in Loveland, OH with my 4th and 3rd grade sons and husband. I'm here to urge the committee to include the 3rd phase of the bipartisan Fair School Funding Plan in the state budget.

We moved to Loveland for the great schools, and are really disappointed to have to send this email right now. We need to invest in our kids, our future. For many reasons, public school is the best option for so many kids and needs our support.

I ask you to consider my testimony and choose to support the 90% of Ohio students who attend public schools. Please include the 3rd phase of the bipartisan Fair School Funding Plan in the state budget.
