**Education Committee,**

**Thank you for allowing me to testify today. My name is Annette Schuster. I am a resident of Cincinnati Ohio and I am proud of our public schools. My son went through CPS from Kindergarten through Senior year. He had an outstanding education and I would hate to see other students not have the same opportunities. I urge the committee to continue phasing the bipartisan Fair School Funding Plan into Ohio's budget.**

**I ask you to consider my testimony and choose to support the 90% of Ohio students who attend public schools. Please continue phasing the bipartisan Fair School Funding Plan into Ohio's budget.**

**Thank you again for the opportunity to testify.**
