State Representative Adam Holmes

97th House District of Ohio

136th ENERGY COMMITTEE

Mission: Ensure Ohio citizens have reliable, resilient, affordable energy.

Vision: Energy = the capacity to do work. Ohio's energy system supports strong economic growth, increases personal well being, and improves quality of life for all Ohio citizens.

Operating Concepts: We will support Ohio citizens by:

1. Supporting Development of New Ohio Based Generation Capability
    a. Create attractive Ohio new energy generation investment environment
    b. Reduce energy development legislative burden

2. Incentivizing Ohio Energy Sector Market Forces
    a. Support increased market competition
    b. Increase market opportunities

3. Ensuring Affordability for Ohioans
    a. Eliminate unnecessary ratepayer costs
    b. Increase electricity purchasing options and transparency

4. Supporting public safety/National security objectives
    a. Increase Ohio energy grid resiliency
    b. Increase cooperation with Federal energy efforts
    c. Ensure proper critical infrastructure protections
    d. Enhance the National Energy Posture

5. Increasing public awareness and advocacy
