Dear Chair Ray, Vice Chair LaRe, Ranking Member Brent, and members of the House General Government Committee,

My name is Rebecca Ensworth and I live in Medina. I am strongly against SB 293 because of the unfairness to Ohio voters. I am concerned about three categories of voters that this will greatly affect: Ohioans with disabilities and seniors who often depend on mail in voting; rural voters since they often have slower mail; and Ohioans that don't have reliable transportation (such as college students and poorer citizens.) **All** Ohioans deserve to have a voice.

In the election last November, 31% of voters used the US Postal Service to return their ballot. Please honor the voices of those Ohioans.

I ask you to consider my testimony, respect ALL Ohio voters, and vote NO on this harmful bill.

Sincerely,

Rebecca T Ensworth
