

Testimony to the
GOVERNMENT OVERSIGHT COMMITTEE
OHIO HOUSE OF REPRESENTATIVES
COLUMBUS, OHIO

Hearing on H. J. R. No. 2

May 16, 2025

Gustave Arthur Pribnow

Chair Hall, Vice Chair Ferguson, Ranking Member Humphrey, and members of the committee:

Just to share some of my background, I have lived in eight states during my lifetime. I grew up in Montana on a farm and just five years ago moved to Ohio from the Memphis, Tennessee area. In each of the areas I have participated in political activities to assist our country to continue grow and provide freedom for all. Currently, I am retired from careers in engineering and real estate sales and live in Maineville, which is in House District #55.

During my entire adult life, a major concern is the aspect of taxation including sales taxes, income taxes, and of course property taxes. This is a particular reason I support the 'Fiscal Responsibility' plank of the Convention of States organization which encourages states to establish guidelines for our federal government in a more appropriate manner than we are currently experiencing.

For these reasons I ask you to vote in favor of HJR2. Thank you for your service to me and the citizens of Ohio.

Sincerely,
Gustave Arthur Pribnow
