

Testimony to the
GOVERNMENT OVERSIGHT COMMITTEE

COLUMBUS, OHIO

Hearing on H. J. R. No. 2

5/11/25

Chair Hall, Vice Chair Ferguson, Ranking Member Humphrey, and members of the committee:

It's clear the Political parties aren't a true solution to create Term limits similar to the 4 year POTUS. Also that ALL government spending needs trimmed. A country can only be as strong as it's government.

For these reasons I ask you to vote in favor of HJR2. Thank you for your service to me and all the citizens of Ohio.

With all Sincerity,
Thank you
Kimberly Flaughner
