

Testimony to the
GOVERNMENT OVERSIGHT COMMITTEE
OHIO HOUSE OF REPRESENTATIVES
COLUMBUS, OHIO

Hearing on H. J. R. No. 2

5/12/2025

Walter Bessey
1230 Summerwood Drive

Chair Hall, Vice Chair Ferguson, Ranking Member Humphrey, and members of the committee:

I am a retired Air Force Master Sergeant from Lebanon Ohio in district 56. I have been involved in Convention of States for about 3 years, attending our monthly meeting on Lebanon. The Federal Government has overreached its jurisdiction and needs to be reined in. The Federal Government spending out of control with 37 trillion on debt and no balance to the budget the spending will continue. In the Constitution it tells how the elected officials (Congress and Senate) would go to Washington and do their time and then go back to their jobs, it wasn't meant to be a career politician. We need Term Limits just like here in the State of Ohio. The States need to be the force to get the Federal Government back in check. We cannot let this continue any longer, "We The People" are speaking up and need to be heard, we are tired of these politicians doing what they want to do and not in good faith of the AMERICAN people.

For these reasons I ask you to vote in favor of HJR2. Thank you for your service to me and the citizens of Ohio.

Thank you for your time,

Walter Bessey
