RE: Testimony for HB 12- Vote YES

Date: March 18, 2025

"Chairman Schmidt, Vice Chair Deeter, Ranking Member Somani, and Members of the House Health Committee, thank you for hearing my testimony for HB 12- The Jeff, Dave & Angie Patient Right to TRY Act".

Dear Honorable Representatives,

Please protect my health provider's right to medical free speech by voting YES on HB 12. Please allow my doctor the right to determine my best treatment without fear of having to appear before a medical review Board.

Why must hospital patients and medical doctors be threatened at a time when they need treatment the most? Why does the system not allow for competition?

Thank you,

Tom Ilse
