Chairman Schmidt, Vice Chair Deeter, Ranking Member Somani, and Members of the House Health Committee, thank you for hearing my support testimony for HB 12 The Jeff Dave & Angie Patient Right to Try Act

Please protect my health provider's right to medical free speech so that I can have informed consent, and my right to access life-saving drugs that my doctor has prescribed and that I have consented to.

Safeguard my health provider's right to free medical speech for informed consent and ensure access to prescribed life-saving drugs.

Please restore the Doctor-patient relationship by voting YES on HB 12.

I urge the committee to vote YES on HB12.

Sincerely,

Cindy McBee
