Dear Chair Schmidt and members of the House Health Committee,

On behalf of the Chain Drug Committee of the Ohio Council of Retail Merchants, with the adoption of amendment AM_136_1448 to Substitute House Bill 324, we are no longer opposed to the bill and have already notified the joint sponsors of this change in position.

We appreciate the Committee's and the sponsors' attention to our previously raised concerns. We value these important relationships with each of you and look forward to continuing to work on health-related issues with you.

Sincerely,

Lora Miller
