

This is Stephanie of Ohio University. Non attorneys at the department of aging and etna insurance are enforcing the contradictive administrative law 5160-44-32 to override the ORC 1337.17 to support families as both POA and paid health aides for their children and elderly and family tax payers request the resolution to amend or terminate 5160-44-32 to help children veterans and the elderly families in the 88 counties struggling right now with the surge of baby boomers being cared for by families.
