

To Chair Blasdel, Vice Chair Fischer, Ranking Member Rogers, and Members of the House Natural Resources Committee,

My name is Morgan Neiss, and I live in University Heights, Ohio. I am writing to voice my opposition to SB 219 as a voting citizen of Ohio who loves and uses Ohio parks and public lands.

I am writing to express my opposition to fracking our state parks and public lands. People and our natural resources are this state's most important asset, and we should not sell them out to oil and gas companies. The proposed SB 219 is wrong, and I'm aware that you know that too. If it was proposed in an area near you, you would oppose it. So please do the right thing for the people and parks of Ohio.

Sincerely,

Morgan Neiss
