

Testimony Against House Bill 1
Submitted by Haosheng Yang, Ph.D.

Before the House Public Safety Committee
Rep. Cindy Abrams, Chair

May 15, 2025

Chair Abrams and Members of the House Public Safety Committee:

My name is Haosheng Yang, and I have been working in the field of higher education in Ohio for 17 years. I am submitting testimony as a private citizen in opposition to House Bill 1, which unfairly targets individuals based on their country of origin, regardless of their intentions, actions, or contributions to the state of Ohio.
