

Chair Young, Vice Chair Ritter, Ranking Member Piccolantonio, and members of the House Workforce & Higher Education Committee,

Thank you for allowing me to testify today. My name is Julia Phillips. I am from outside of Toledo, Ohio and I am a graduate of The Ohio State University. I am strongly opposed to SB 1 and its companion bill HB 6.

The U.S. is founded in freedom and SB 1 will create heavy restrictions on students' and professors' rights. This bill has public, bipartisan opposition in the state of Ohio. The fact that the Ohio legislature is pushing it through despite the opposition shows that it is a political agenda by a rogue group of politicians that are scared of losing power and are trying to censor and squash the rights and freedoms of Ohio universities' students and workers.

I ask you to consider my testimony and vote NO on this rogue, political-agenda-pushing bill.

Thank you again for the opportunity to testify.

Julia Phillips
