

Chair Young, Vice Chair Ritter, Ranking Member Piccolantonio, and members of the House Workforce & Higher Education Committee,

Thank you for allowing me to testify today. My name is Kayli Rego. I am a Morrill Scholar and Honors Student at The Ohio State University. I am strongly opposed to SB 1 and its companion bill HB 6.

Over 1,000 Ohioans submitted testimony against SB 1 in the Senate. Hundreds of those people showed up to testify in-person. Only 14 people sent in supporter testimony — and none of them were public university students. Listen to the people of Ohio. No one wants this bill. Vote NO on SB 1

I ask you to consider my testimony and vote NO on this *extremist* bill that will only fail to provide the highest quality of education to Ohio students.

Thank you again for the opportunity to testify.
