

Chair Young, Vice Chair Ritter, Ranking Member Piccolantonio, and members of the House Workforce and Higher Education Committee, thank you for the opportunity to provide proponent testimony on Senate Bill 1.

My name is Noah King and I am a student at Miami University.

DEI, an acronym known for Diversity, Equity and Inclusion. There are lawmakers who push this idea that people should be chosen over others based off of their skin color, sex, ETC... But I ask these same lawmakers when they ever thought about ethics or morals. It has made clear and very apparent to me that these lawmakers wish to do one thing get a vote to use this idea to get the vote of people like me and to think they are helping us. Where was the inclusivity when anti-semitism was spewed from by lawmakers who love equality and inclusivity. It seems that this so-called DEI has been nothing but a lie.

I urge you to support Senate Bill 1. Thank you for your time and I'd be happy to answer any questions.
