Senate Armed Services, Veterans Affairs and Public Safety Committee
Senate Bill 214 - Testimony
Tuesday, June 24, 2025

Chairman Johnson, Vice Chair Wilson, Ranking Member Weinstein, and members of the Armed Services, Veterans Affairs, and Public Safety Committee, since it appears likely that the US Congress will be removing suppressors from the National Firearms Act (NFA), Ohio legislature can get ahead of the curve by being ready with SB 214. Ohio firearm owners, who are many, will be pleasantly surprised that their State officials were not caught flat-footed and were proactive in helping to give rights back to the people. By having SB 214 ready, much confusion, frustration and anger from law-abiding citizens will be avoided.
