

Ohio Citizens Defense League

Good afternoon, Chairman Johnson, Vice Chair Wilson, Ranking Member Weinstein and members of the Senate Armed Services, Veterans Affairs and Public Safety Committee.

I testify in support of Senate Bill 273.

This substitute bill does not change the intent of the bill. It strengthens protections for gun owners and gives gun dealers the protection they need to help their customers and members of their community who ask for help.

The options made available through this bill are entirely voluntary allowing each entity to act in their best interest while still maintaining compliance with all state and federal laws.

This bill has no downsides. It is an excellent bill, that will help people in your districts and set an example that will help people throughout our country. I encourage your support of this important legislation.
