

Dear Medicaid Committee members,

I am submitting testimony in opposition to SB96, the policy to discontinue Medicaid expansion in Ohio. I urge you to vote no and show that you care about the people of Ohio.

Medicaid recipients are the most vulnerable citizens of our state. Medicaid expansion covers individuals with income levels below 138% of the federal poverty level. Would you be able to live with that kind of income?

People making less than \$20,000 a year are not “taking advantage of the system.” They are people, like all of us, and they have real needs for healthcare.

By eliminating the Medicaid Expansion Program, or putting more work restrictions in the system, people will die.

Please show your humanity. Vote no on SB96.

Thank you,
