

Written Testimony in Opposition to Senate Bill 56

Dear Members of the Ohio Senate,

I'm honored to share my expertise with you. I am a Cannabis Humans and History instructor at Hocking College I am also an advisor to The Cannabis Museum. With a Master's in Sustainable Agriculture from Ohio University, a Bachelor's in Environmental Science from Rio Grande University, and an Associate's in Natural Resources Management from Hocking College, I'm committed to driving positive change.

I am testifying on behalf of the Ohio consumer. The topics I am here to engage in include home grow plant count, potency limits, dispensary limits, tier 3 restrictions, increased tax, and outdoor production of flower.

Please feel free to reach out with any questions.
