Re: S.B. No.63 Testimony

Thank you for allowing me to testify today. My name is Lia Ricci, she/her.

I am a resident of Ohio at 349 Derby Avenue in Bowling Green and a registered voter.

I am opposed to S.B.63.

I oppose the proposed prohibition of ranked choice voting. I assert ranked choice voting offers a more representative and fair electoral process. I further argue implementing ranked choice voting can lead to majority-supported winners, allowing for a more honest and representative government.

Thank you,

Lia Ricci
