Chair Roegner, Vice-Chair Gavarone, Ranking Member
Blackshear and members of the Senate General Government
Committee:

I am 82 years old and have lived in the Toledo area my entire life.
I taught elementary school for 30 years and have been an active
Christian for 60 years.

This bill is pure DISCRIMINATION to select certain groups of
people only because of their country of origin. Legal immigrants
should be able to own land and businesses where they choose
and not fear having their property and homes seized.

I am urging you to vote against SB88!!!!
My Chinese neighbors and numerous Chinese citizens living in
Lucas County are a caring and integral part of our community.
From their important positions helping out economic prosperity to
their children who are very active in our local schools, they have
all proved to be a positive force in our Toledo community. I
strongly urge you to vote against SB88.
