

My name is Kathleen C. Robisch and I am a registered voter in the state of Ohio. My address is 9496 Country Path Trail, Miamisburg, OH 45342.

I am opposed to the passage of The Ohio Safeguard American Voting Eligibility Act. It purports to solve a problem that does not exist. THERE IS NO EVIDENCE THAT ELECTIONS HAVE BEEN COMPROMISED. Those who say there is are lying to us. Allegations of voter fraud were litigated after the 2020 and all allegations were found to be specious.

This act would strip Ohioans of valuable rights, including: the right to organize voter registration drives; the right to vote a standard, rather than provisional, ballot if your married name did not match your birth name; the right to use a ballot drop box if you needed to; make it much harder, and potentially illegal, for Ohioans to gather signatures and place constitutional amendments on the ballot.

This bill is a repudiation of democracy and the right to freely vote. I urge you to vote against it.
