

**Opponent Testimony for Senate Bill 88**  
**Testifying as an Opponent**

Chair Roegner, Vice Chair Gavarone, Ranking Member Blackshear, and esteemed members of the Senate General Government Committee:

Thank you for the opportunity to provide testimony in opposition to Senate Bill 88.

As a Chinese American born and raised in Ohio, this state is my hometown. I attended elementary through high school here and have deep roots in this community. That's why the content of Senate Bill 88 is so deeply shocking and troubling to me.

I respectfully urge you to reject this bill. Senate Bill 88 raises serious concerns about racial discrimination and social profiling, particularly targeting Asian communities and lawful immigrants. Rather than strengthening national security, it spreads fear, division, and mistrust throughout our neighborhoods.

This bill endangers the well-being of our children, undermines the values of our diverse society, and damages Ohio's economy by marginalizing hardworking members of our community.

Senate Bill 88 is not just legislation—it poses a direct threat to the safety, dignity, and unity of our state. I strongly urge you to oppose it.

Thank you for your time and thoughtful consideration.
