

Opponent Testimony for Senate Bill 88

Testifying as Opponent

Chair Roegner, Vice Chair Gavarone, Ranking Member Blackshear, and esteemed members of the Senate General Government Committee, thank you for the opportunity to testify. I respectfully urge you to oppose Senate Bill 88 because it is RACIST. It discriminates against Asian communities and promotes social profiling. It unfairly targets lawful immigrants which will have been working on the key areas in Ohio for so many years to innovate the technology, create job opportunity, and educate students/talents, in critical area, such as artificial intelligence, robotics, aerospace, and manufacturing. Most importantly, these people will be citizens within several years. This bill doesn't serve the purpose of national security, as there is no clear clue that all these foreign nationals are harming the security, and blindly blocking these foreign nationals will harm greatly the community, and U.S. citizens' families, including U.S. citizen children. As well as this bill will endanger the survival of the key personnel in key positions and harm the economy of Ohio. It is a community crisis. Please oppose Senate Bill 88. Thank you!
