

# Testimony Against SAVE Act

Chair Roegner, Vice Chair Gavarone, Ranking Member Blackshear, and members of the Senate General Government Committee,

Thank you for allowing me to testify today. My name is Nathan Davis. I am strongly opposed to SB 153.

Voting is fundamental to our democracy. All citizens have the right to choose their leaders. You cannot argue that this bill will not disenfranchise voters particularly women and low income voters. Making it more difficult to register to vote will also disenfranchise new voters at a time when we need to empower the youth in Ohio to become more involved. Faith in our government is at an all-time low and this will only widen that gap. It does not solve any problems, it only creates new ones.

I ask you to consider my testimony and vote *NO* on this unAmerican legislation. Thank you again for the opportunity to testify.
