

Bill 153 will it make it harder for Ohio citizens to vote, especially for senior citizens, minorities, newly wed women, students, and handicapped voters. The challenge of finding a birth certificate, passport, etc. should not be minimized. Voter fraud at the ballot box has not been an issue. Needlessly requiring proof of citizenship will make it harder for people to vote. The bill adds bureaucratic tasks to our Boards of Education. I am not aware of any problems with Ohio elections in the past, so why make the right to vote for difficult.

Vote against Senate Bill #153!
