

Chair Roegner, Vice Chair Gavarone, Ranking Member Blackshear, and members of the Senate General Government Committee,

Thank you for allowing me to testify today. My name is Christine Ferens. I am a tax paying and voting citizen of Ohio who is strongly opposed to SB 153.

It greatly concerns me that the Ohio Legislature is attempting to make it even more difficult for people to vote in our State. There is no evidence of any increase in voter fraud, and the current system is efficient and save. The only logical explanation is that the current Legislature do not want Ohioans to have the opportunity to easily and efficiently use their voice via their vote.

I ask you to consider my testimony and vote *NO* on this shameful and completely unnecessary bill. Thank you again for the opportunity to testify.
