

Hello, My name is Zane Cordrey  
I'm writing today to express how  
important it is for hunting to be a  
right in the state of Ohio

I have been in the outdoors since  
I was able to follow behind my  
grandpa. Started off with going  
along and learning the basics then  
once I was old enough and showed  
I could handle a firearm, squirrel  
hunting began. From the lead into  
deer hunting and Turkey hunting.

Through the years I have learned  
so much from being in the woods.  
Respect for the animal I'm trying  
to harvest. Making sure to harvest  
the animal ensuring it is a quick  
and ethical shot. Learning patience  
and dedication you earn the reward  
you are after.

The love for hunting has been passed  
down through generations in my family.  
It is more than a hobby to me it  
is a passion. I have been fortunate  
to even make a career working in the  
outdoors. I'm a Regional Director  
for the NWTf. In closing I  
feel very strongly for hunting to be  
our Right as Ohioans.
