Jill McCourt, CNP
Michelle Sirey, CNP
Nate Workman, CNP

3/17/25

To Whom it May Concern,

As a practicing Sleep Medicine Physician for nearly 30 years, I
strongly recommend:

No on SCR 6. Restore Permanent Standard Time instead.

Going to permanent Daylight Savings Time is not in-line with our
internal clocks and will be harmful to individuals.

Dennis Auckley MD
Division of Pulmonary, Critical Care and Sleep Medicine
MetroHealth Medical Center
Professor of Medicine, Case Western Reserve University
