

Chair Roegner, Vice Chair Cirino, Ranking Member Ingram, and members of the Senate Higher Education Committee,

Thank you for allowing me to testify today. My name is Lillian Warren. I am *a student at The Ohio State University*. I am strongly opposed to SB 1 and its companion bill HB 6.

This bill is one of the worst proposals for higher education that has come across the Senate in recent years. It is full of unnecessary censorship on issues that are not opinion-based or political. To silence issues such as the Holocaust and the Civil Rights movement is disgusting and should not even be considered.

I ask you to consider my testimony and vote NO on this *extremist* bill.

Thank you again for the opportunity to testify.
