

Chair Roegner, Vice Chair Cirino, Ranking Member Ingram, and members of the Senate Higher Education Committee,

I appreciate the opportunity to testify my vehement opposition to SB 1/HB 6. I am a constituent of Senator Cirino, and I am a retired educator and naturalist, so I know a few things about education and science.

This extreme bill would turn our state universities into fascist training camps (which I assume is the point). It will scare away serious and effective faculty, and students who want a quality education. If our universities suffer, our economy suffers.

I ask you to vote NO on this horrible bill.

Thank you again for the opportunity to testify against SB 1/HB 6.
