

Thank you for allowing me to testify today.

My name is Jenna Colpean. . I am a constituent of Columbus, Ohio. I am strongly opposed to SB 1 and its companion bill HB 6.

The reason why is because you cannot run from truth and reality - banning universities from talking about truth will not make truth go away. Truth is truth and you need to face reality. Truth is also in diversity. People exist. Things happened. This is the world we live in.

I ask you to consider my testimony and vote NO on this extremist bill.

Thank you again for the opportunity to testify.
