

Hello Chair O'Brien,

My family has dedicated their life to providing housing in Ohio for 40+ years. We started out in long-term rentals in Lima Ohio and sold our business in 2017 to invest in cabins in the Hockinghills region of Ohio. Our families entire livelihood depends on vacation rentals. We have invested our resources And worked hard to improve the properties to host guests from all over the world to bring revenue to our county to our state and to our family. Changing laws that would negatively impact our businesses would not only be unfair to the hard work we have invested but also to the county that has come to rely on the income generated by our effort. Thank you for voting in a way that would protect hosts of vacation rental property.

Sincerely,

Evelyn Endersby
