

Hello Chair O'Brien,

I am writing to urge your support for SB 104, which is critical to my family's future and to the economic vitality of our community. As a proud Airbnb host, my family operates a small, family-owned business that provides unique, high-quality experiences for visitors exploring the natural beauty of Hocking Hills.

Short-term rentals like ours not only enrich tourism but also create jobs and support local businesses—from cleaning services and maintenance teams to restaurants and shops that thrive because of our guests. This industry has become a key part of our financial planning, allowing us to secure a better future for our family while contributing to the local economy.

I strongly encourage you to vote YES on SB 104 to protect responsible short-term rentals and the many families and businesses that depend on them. Thank you for your time and consideration.

Sincerely,

Hernán Giraldo
