

Hello Chair O'Brien,

This is vital for our survival at our property! We have area that accept and others who oppose

Let's think about this as small business owner how do we get our job done

We need uniformity through out the state to be fair to all constituents

My plea is th treat each and enevery one of us fairly

The Fairfield County, Walnut Hills Township have beaten down ABNB and VBRO to death and why

The great State of Ohio want Agri tourism and tourism

Please let's be fair across the playing field

We took a tour with a realitor around BUCKEYE LAKE 1st state park in Ohio and was amazed at the different rules in different areas of the 3-counties it encompasses

Pleas work with all areas to get fair regulations for all Thanks Mark and Deb Weiser

Sincerely,

Mark Weiser
