

Hello Chair O'Brien,

Please vote yes on SB 104. I host an airbnb on my property in Marengo, in central, rural Ohio. I am not taking away long-term rentals in my area, but rather I offer up the in-law suite on my property to make ends meet. There is very little lodging in my community, and my airbnb is always booked. I bring guests into our community who spend money supporting other small businesses. Please protect my right to continue offering my home as a short-term stay for many guests visiting Ohio.

Thank you.

Sincerely,

Tricia Piliado
