

Hello Chair O'Brien,

I live in Beavercreek OH, I am a small business owner of 3 Airbnbs. Please vote yes on SB 104. It will help protect my business. My wife and I work hard on our businesses and are respectful to our neighbors and never have any issues. We bring in a lot of out of state (and country) into the area and also buy local for our business supplies. Including living in the area where our Airbnbs are.

Sincerely,

Jonathan Hodgkinson
