

Hello,

Thank you for taking the time to read this message. I am an Airbnb Host and I have two little cabins in a rural but tourist area in Ohio. We love Ohio, the changing seasons and how it is run. Voting yes for SB 104 is important for my family but also it brings people into the state to explore Ohio and go hiking, canoeing, horse drawn sleigh rides (by my family) and many other things to do and see. Hosts like me bring money into the area, they spend it at restaurants, small businesses and even the dollar store!

Thanks again for your Support!

Sincerely,

Tammy Puleo
