

Hello Chair O'Brien,

As a proud Troy High School class of 1972, I have been able to buy a second home in my hometown a few years ago. We have been able to maintain this home by renting it through Airbnb. Without this income, we would not be able to afford to have a home in Troy. Our home is used by many people like us that still want to visit family and friends in Troy and have a home to relax and enjoy, not a standard hotel room. We hope you will consider how many people like us are happy to use our home to host guests that are traveling to Troy.

Sincerely,

Pamela Price
