

Hello Chair O'Brien,

We are hosts in Lewis Center. Airbnb has been critical to allow us to stay current on our taxes and keep our older house on our property in good order. Airbnb does an excellent job at security and support-our long time neighbors have not been bothered. Please vote yes on SB 104 to maintain our ability to create revenue for taxes and maintenance! One of Ohio's main issues is high property taxes...Airbnb is a wonderful tool for paying taxes.

Sincerely,

Philip Germann
