

Hello Chair O'Brien,

This email is for the Ohio Legislature before they vote on Senate Bill 104. As a constituent of Washington county , I am asking you to please vote YES on SB 104. If I could not longer host, it would be a burden financially as well as emotionally. I have built 3 Airbnbs which help me pay bills . I personally love having guests who enjoy fishing, camping and

the beauty of southern Ohio. I need for you to ensure me that hosting remains a viable opportunity for all Ohioans. Tourism definitely helps the local communities. Repeat guests especially enjoy the beauty and peacefulness of southern Ohio. Thank you for your time. Vote YES on SB 104.

Sincerely,

Karen Jarvis
