

Hello Chair O'Brien,

Hello,

I am a resident of Columbus, OH, high school teacher, and Airbnb host. I currently host in the 5th by Northwest and in Old Town East. These Airbnbs not only allow for me to help make ends meet, but allow me to employ others in my community. We employ a maintenance man and a cleaner. Airbnb helps creates jobs for the small business person in the state and you should vote YES to support SB104.

Thank you!

Sincerely,

Stephanie Matson
