

Hello Chair O'Brien,

I have been traveling the world working remotely while hosting guests at my Middletown home with AirBNB. I'm amazed people want to come to Middletown but since I started this business, I've been getting bookings. It's really been a great financial boost for me. People come to the area to work, to shop for their weddings, for family reunions, tournaments, and to celebrate new births in their families. My guests visit area attractions, eat out, and shop. Anything you can do to make it easier for Airbnb hosts would be great. I don't have any issues right now in Middletown or in Butler county but just in case, please support SB 104. Thanks!!! All the best to you and yours!

Sincerely,

Michelle Novak
