

Hello Chair O'Brien

We have 2 active AirbNb's, they are maintained properly and we have had no reported problems. It may help that we live on site.

Our guests buy Pizza, shop at Apples supermarket, shopping at Shoreway beverage, Cardinal Scoop ice cream, Speedway gas, and pretty much all available markets. They add to the community.

In any event I urge you to vote yes on SB104.

Thanks ,

Hal Seagraves
