

Hello Chair O'Brien,

I am an Airbnb host in Holmes County, Ohio. My husband and I are retired and it is the extra money from our rental that helps us pay unexpected medical bills, or buy tires for our car, basically keep up on monthly bills. Please vote yes on SB 104. I honestly don't know what we would do if we lose this. Thank you, I will be following this closely.

Sincerely,

Cheryl Shryock
